### Section 3. DIVISION OF THE PROPERTY INTO CONDOMINIUM UNITS.

3.1 Division. The Property and the improvements thereon are hereby divided into Condominium Units designated on the Statement of Basic Values attached hereto as Exhibit "A". Each such Condominium Unit shall consist of the separately designated Unit identified on the Plan, the proportionate undivided share interest in and to the common elements appurtenant to such Unit as set forth in said Exhibit "A", and the right of use of the limited common elements which are appurtenant to such Unit.

3.2 Right to Change. There is reserved to the Declarant the right to (i) physically combine the space within one Unit with the space within one or more adjoining Units, or (ii) combine a part of or combination of parts of the space within one Unit with part or parts of the space within one or more adjoining Units, or (iii) assign limited common elements as appurtenant to Units and sever limited common elements from Units and reassign them to other Units. Any such physical changes to Units and any such assignment or reassignment shall be reflected by an amendment to Exhibit "A" and the Plan, which amendment shall depict the affected Units as reconstituted and shall set forth the reapportioned undivided share interests of the Units affected. No such physical change or assignment shall be made without the written consent of the Owner and the mortgagee of each of the Units affected. The cost and expenses incurred for legal, architectural and engineering fees relative to preparation of such amendment shall be borne by the person requesting such physical change to the Unit.

3.3 Limited Common Elements. A portion of the common elements is reserved for the exclusive use of individual Owners of the respective Units, and such areas are herein referred to as "limited common elements". The limited common elements so reserved are identified on the Plan and include, without limitation, those common elements which lie within each of the Units; provided, however, that any porch or entry way which is accessible from, associated with and which adjoins a Unit and any other limited common elements so identified on the Plan shall, without further reference thereto, be used in connection with such Unit to the exclusion of the use thereof by the other Owners of the common elements, except by invitation. All of the Owners of Units in the Project shall have a non-exclusive right in common with all of the other Owners to the use of sidewalks, pathways, driveways and parking areas located within the entire Project. No reference need be made to the limited common elements in any deed, instrument of conveyance or other instrument, whether such limited common elements are exclusive or nonexclusive.

3.4 Condominium Plan. The Condominium Plan is attached to this Master Deed as Exhibit "B". In interpreting the Plan, the existing physical boundaries of each separate Unit, whether in its original state or existing or reconstructed in substantial accordance with the original plans thereof, shall be conclusively presumed to be its boundaries, regardless of settling or lateral movement of the building and regardless of minor variance between boundaries shown on the Plan and those of Building. Declarant reserves the right to amend the Plan, from time to time, to conform to the actual location of any of the constructed improvements and to establish, vacate and relocate easements, access road easements and on-site parking areas.

**3.5 Legal Description of Condominium Unit.**

(a) Every contract for the sale of a Condominium Unit written prior to the filing for record of the Plan or Master Deed may legally describe a Condominium Unit by its identifying Unit designation, followed by the name of the Project. The location of such Unit on the Property shall be depicted on the Plan subsequently filed for record.

(b) Every contract, deed, lease, mortgage, deed of trust, will or other instrument may legally describe a Condominium Unit by its identifying Unit designation, followed by the name of the Project, with further reference to the Master Deed filed for record. Every such description shall be good and sufficient for all purposes to sell, convey, transfer, encumber or otherwise affect not only the Unit, but also the general common elements and the limited common elements appurtenant thereto. Each such description shall be construed to include a non-exclusive easement for ingress and egress to an Owner's Unit and use of all of general common elements and the appurtenant limited common elements.

**3.6 Permissible Forms of Ownership.** A Condominium Unit may be held and owned in any real property estate or tenancy relationship recognized under the laws of the State of Nebraska.

**3.7 Inseparability of Condominium Unit.** Each Unit, the appurtenant undivided interest in the general common elements and the appurtenant limited common elements shall together comprise one Condominium Unit, shall be inseparable and may be conveyed, leased, devised or encumbered only as a Condominium Unit, provided, however, Units may be changed and limited common elements may be assigned and reassigned as provided in paragraph 3.2 hereof.

**3.8 Non-Partitionability of General Common Elements.** The common elements shall be owned in common by all of the Owners of the Units and Declarant (as long as it owns unsold Units or lots on which Units are to be constructed), shall remain undivided, and no Owner shall bring any action for partition or division of the common elements. Nothing contained herein shall be construed as a limitation of the right of partition of a Condominium Unit between the owners thereof, but such partition shall not affect any other Condominium Unit. Declarant shall be the Owner of all undivided interests in and to the common elements appurtenant to unsold and unconstructed Units.

**3.9 Easements for Encroachments.** Each Unit is subject to such encroachments as are contained in the Building, whether the same now exist or may later be caused or created. In particular, if a Unit is partially or totally destroyed and then rebuilt, the Owners agree that minor encroachments upon other Units or upon parts of the common elements shall be permitted and that a valid easement for said encroachments and the maintenance thereof shall exist. Such encroachments and easements shall not be considered or determined to be encumbrances either on the general common elements or on the Units for purposes of marketability of title or otherwise.

**3.10 Termination of Mechanic's Lien Rights and Indemnification.** Subsequent to the completion of the improvements described on the Plan, no labor performed or materials furnished and incorporated in a Unit with the consent of at the request of the Unit Owner, his agents, his contractor or subcontractor shall be the basis for filing of a lien against the common elements or against the Unit of any other Unit Owner who did not expressly consent to or request the services or materials. Each Owner shall indemnify and hold harmless each of the other Owners from and against all liability arising from the claim of any lien against the Unit of any other Owner or against the common elements for construction performed or for labor, materials, services or other products incorporated in an Owner's Unit at such Owner's consent or request. The provisions of this paragraph are subject to the reserved rights as set forth in paragraph 5.1.

**Section 4. CREATION AND OPERATION OF 11605 ASSOCIATION, INC.**

**4.1 Governing Documents.** The common interests of all Owners with respect to the Project shall be governed and administered by the Association in accordance with the provisions of this Master Deed and the Articles of Incorporation and Bylaws of the Association. The Articles of Incorporation of

4.8 Owners' Access to Information. All Owners shall have access, for a proper corporate purpose, to inspect the books, records and financial statements of the Association, upon such notice as the Board of Directors may reasonably require. During normal business hours, the Association shall have available for inspection by Owners, mortgagees and prospective purchasers, current copies of this Master Deed, the Articles of Incorporation and Bylaws of the Association, and any rules and regulations which are then effective with respect to any part of the Project.

Section 5. MAINTENANCE, REPAIRS, EMERGENCIES AND COMMON EXPENSES.

5.1 Right of Access. The Association has the irrevocable right, to be exercised by the Board of Directors of the Association or its lawful delegate, to have access to each Unit from time to time during reasonable hours and with such notice as may be reasonable under the circumstances as may be necessary for the maintenance, repair or replacement of any of the general or limited common elements therein or accessible therefrom; provided, however, that such right of access shall be immediate for making emergency repairs therein in order to prevent damage to any of the common elements or to any Unit.

5.2 Responsibility for Damage. Damage to the interior or any part of a Unit resulting from the maintenance, repair, emergency repair or replacement of any of the common elements or as a result of emergency repairs within another Unit shall be a common expense of all of the Owners. If any damage to a Unit or any of the common elements is caused by the negligent or tortious act of a Unit Owner, his agent, employee, invitee, licensee or tenant then such Unit Owner shall be responsible and liable for all such damage. All damaged improvements shall be restored substantially to the same condition in which they existed prior to the damage. In the event any Unit Owner fails to restore the Unit or the common elements as set forth herein, the Association may perform such work, invoice the responsible Unit Owner for the cost thereof and secure and enforce a lien against the Unit of the responsible Owner in like manner as for the nonpayment of assessments for common expenses and assessments.

5.3 Owner's Maintenance Responsibility. For maintenance purposes, an Owner shall be obligated to keep in good repair and condition, at his own expense, the interior of his own Unit and the supporting walls and interior partitions, and the materials, including, but not limited to, plaster, gypsum dry wall, paneling, wallpaper, paint, wall and floor coverings and flooring (not including the sub-flooring) which make up the finished surfaces of the perimeter walls, ceilings, and floors within his Unit, including all glass, Unit doors and windows, together with all fixtures and equipment installed within the Unit (including, without limitation, heating and air conditioning facilities, fans, compressors, motors, and ductwork which provide heat or cooling to his Unit) commencing at a point where the utilities enter the Unit, whether or not the same are general common elements or limited common elements. The lines, pipes, wires, conduits or systems which the common elements in part comprise shall not be disturbed or relocated by an Owner without the written consent and approval of the Board of Directors of the Association. An Owner's right to repair, alter and remodel the interior of his Unit shall be coupled with the obligation to replace any finishing or other materials removed with similar material have at least the same sound-absorbing characteristics. No Owner shall do any act nor perform any work that will impair or tend to impair the structural soundness or integrity of the Building or interfere with or tend to interfere with any easement or hereditament. In the event any Owner fails to perform the maintenance required by this paragraph, the Association may perform such work, invoice the responsible Unit Owner for the cost thereof and secure and enforce a lien against the Unit of the responsible Owner in like manner as for the nonpayment of assessments for common expenses and assessments.

5.4 Maintenance of Common Elements. Except as otherwise provided herein, the maintenance and operation of the common elements shall be the responsibility of the Association and the cost thereof shall be common expenses to be paid for by assessments levied against all Owners.

5.5 Special Assessments for Common Elements. There shall be no additions, alterations, improvements, replacements or major repair of or to the common elements by the Association requiring a special assessment in excess of \$1,000.00 per Unit in any one calendar year without prior approval of Owners representing an aggregate ownership interest of fifty percent or more of the basic value. Such approval shall be expressed by a vote in favor thereof at a special or regular meeting of the Association members. Such expenditure shall be a common expense, and unless otherwise provided by the approving vote, (i) all costs therefor shall be specially assessed against all Units in accordance with their respective interests in the common elements; (ii) such additions, alterations, improvements, replacements and major repairs shall have no effect on any Owner's voting rights; and (iii) each Owner shall have the same interest therein as he has in other common elements. The limitation set forth in the first sentence of this paragraph shall not be applicable to the ordinary repair and maintenance of any common element.

5.6 Assessment for Common Expenses. All Owners shall be obligated to pay the estimated assessments imposed by the Board of Directors of the Association to meet the common expenses. The assessments shall be made according to each Owner's share interest in the common elements as provided in paragraph 5.7. Except as provided in paragraph 5.3, the limited common elements shall be maintained from assessments the same as general common elements, and Owners having exclusive use thereof shall not be subject to any special charges or assessments for the repair or maintenance thereof. Assessments for the estimated common expenses shall be due in advance on the first day of each calendar month, or at such other intervals as may be determined by the Board of Directors, and the Board of Directors shall prepare and deliver or mail to each Owner statements for the common expenses. The assessments provided for herein shall commence as to a particular Unit on the day of the conveyance of the Unit by Declarant.

5.7 Determination of Amount of Annual Assessments and Time for Making Such Determination. Until January 1, 1984 an interim assessment of \$50.00 per Unit per month shall be due and payable on the first day of each calendar month by the Owner of each Unit. The purchaser of a Unit shall pay to the Association on the date of closing the pro rata amount of the interim assessment due in the month of closing and the next full months' interim assessment. Thereafter, interim assessments shall be due and payable on the first day of each calendar month. So long as the Declarant shall pay each month the difference between the amount of monthly interim assessments be paid by Owners other than the Declarant and the total operating expenses of the Association for such month, no interim assessments shall be payable with respect to Units owned by the Declarant. The first annual assessment shall be levied against each Unit on January 1, 1984. In November of each year the Board of Directors shall adopt an annual budget by estimating the amount of the annual assessments necessary to make payment of all estimated expenses growing out of or connected with the maintenance, repair, replacement, operation, addition, alteration and improvement of and to the general and limited common elements, which sum may include, but shall not be limited to, expenses of administration, taxes and special assessments other than separately assessed taxes and assessments on the Units, premiums for insurance, landscaping and care of grounds, care of the parking garage, common lighting and heating, repairs and renovations, trash and garbage collection, wages, water and sewer charges, legal and accounting fees, management fees, expense and liabilities incurred by the Manager or Board of Directors on behalf of the Unit Owners under or by reason of this Master Deed or any corporate documents, for any deficit remaining from the previous period, for the creation of a reasonable contingency reserve, for working capital as well as other costs and expenses required to be paid pursuant to this Master Deed or the Bylaws of the Association and relating to the common elements or the common interests of the Owners. Notwithstanding the foregoing, the per-Unit annual assessment may not be increased in any year by more than 15 percent of the preceding year's assessment without approval of

Owners representing an aggregate ownership of 60 percent or more of the basic value at a regular or special meeting of the Association. Annual assessments to be levied against each Unit shall be the percentage of the total annual budget of the Association equivalent to the share interest appurtenant to such Unit as set forth in Exhibit "A". Within 15 days after making its determination, the Board of Directors shall give written notice to each Owner of the amount of his estimated annual assessment. The omission or failure to fix the assessment or deliver or mail a statement for any period shall not be deemed a waiver, modification or release Owners from their obligation to pay the same.

**5.8 Owner's Personal Obligation for Payment of Assessments.** The amount of the common expenses assessed against each Unit shall be the personal and individual debt of each Owner thereof. No Owner may exempt himself from liability for his contribution towards the common expenses by waiver of the use of enjoyment of any of the common elements or by abandonment of his Unit. Both the Board of Directors and Manager shall have the responsibility to take prompt action to collect any unpaid assessment which remains unpaid for more than 10 days from the due date for payment thereof. In the event of default in the payment of the assessment, the Unit Owner shall be obligated to pay interest at the rate of 16 percent per annum on the amount of the assessment from due date thereof (or such lesser rate as is then the maximum permissible by law), together with all expenses, including attorney's fees incurred in collecting such assessment, together with such late charges as may be provided for in the Bylaws of the Association. Suit to recover a money judgment for unpaid common expenses shall be maintainable without foreclosing the lien provided for in paragraph 5.10, and such suit shall not be construed to be a waiver of the lien.

**5.9 Effect of Nonpayment of Assessments and Remedies of the Association.** Any assessment chargeable to a Unit not paid within 10 days after it is due shall constitute a lien on the Condominium Unit superior to all other liens and encumbrances, except liens for taxes, special assessments and first mortgages. As evidence of such lien, the Board of Directors shall prepare a written notice of assessment lien setting forth the amount of such unpaid indebtedness, the amount of the accrued interest and late charges thereon, the name of the Owner of the Unit and a legal description of the Condominium Unit. Such notice of assessment lien shall be signed by one member of the Board of Directors on behalf of the Association and shall be recorded in the office of the Register of Deeds of Douglas County, Nebraska. Such lien shall be effective from the due date of the assessment until all sums, with interest and other charges thereon provided for herein shall have been paid.

**5.10 Foreclosure of Lien.** Any lien arising as provided in paragraph 5.9 above may be enforced by the foreclosure of the defaulting Owner's Condominium Unit by the Association in like manner as a mortgage on real property, at any time after the recording of the notice of assessment lien. In any such proceedings, the Owner shall be required to pay the costs, expenses and attorney's fees incurred for filing the lien, and in the event of foreclosure proceedings, all additional costs, expenses and reasonable attorney's fees incurred, including any costs incurred to protect the security of the lien. The Owner of the Condominium Unit being foreclosed shall be required to pay to the Association the monthly assessments upon the Unit during the period of foreclosure, and the Association shall be entitled to a receiver during foreclosure. The Association shall have the power to bid on the Condominium Unit at foreclosure or other legal sale and to acquire and hold, lease, mortgage, vote the votes appurtenant to, convey and otherwise deal with the same.

**5.11 Right of Mortgagee with Respect to Unpaid Assessment and Owner's Default.** Any mortgagee holding a mortgage on a Condominium Unit may pay, but shall not be required to pay, any unpaid assessments payable with respect to such Unit, and upon such payment, such mortgagee shall have a lien on the Condominium Unit for the amount paid of the same rank and priority as the lien of his mortgage without the necessity of recording a notice or claim of such lien. The Association shall report to first mortgagees any unpaid assessment remaining unpaid for longer than 30 days after the same is due and shall further report to first mortgagees any other default by the Owner of his obligations under this Master Deed if the default is not cured within 30 days.

**5.12 Statement of Unpaid Assessments.** Upon written request by an Owner or his agent, or a prospective buyer or mortgagee of a Condominium Unit, the Association shall furnish a written statement of the amount of any unpaid assessments, the amount of the current assessments, the dates that assessments are due, the amount of any advance payments made, prepaid items such as insurance premiums and reserves therefor and deficiencies in reserve accounts. Such statement shall be conclusive upon the Association in favor of all persons who rely thereon in good faith. Unless such request is complied with within ten days after receipt of written request therefor, all unpaid common expenses which become due prior to the date of such request shall be subordinate to the rights of the person requesting such statement. A reasonable service fee shall be paid for furnishing the statement of account.

**5.13 Priorities of Association's Liens.** To the extent permitted by law, any lien other than a first mortgage shall always be subordinate to the prior and paramount lien of the Association for unpaid assessments for common expenses and for compliance by the Owner with all the terms, conditions, covenants, restrictions, uses, limitations and obligations of this Master Deed and corporate documents governing the Association. To the extent permitted by law, any lienor other than the holder of the first mortgage shall release, for purposes of restoration of any improvements upon the encumbered Condominium Unit, all of his right, title and interest in and to the proceeds under all insurance policies upon said premises by the Association. Such release shall be furnished forthwith by each lienor other than the holder of a first mortgage upon written request of the Association, and if such request is not complied with a release may be executed by the Association as attorney-in-fact for such lienor.

**5.14 Transfer of Lot by Sale or Foreclosure.** Sale or transfer of any Condominium Unit shall not affect the assessment lien. However, the sale or transfer of any Condominium Unit pursuant to foreclosure of a first mortgage shall extinguish the lien of assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Condominium Unit from liability for any assessments thereafter becoming due or from the lien thereof. The purchaser of a Condominium Unit, including any mortgagee, who obtains title to the same as a result of foreclosure of a first mortgage, his successors and assigns, shall not thereby become personally liable for the delinquent share of the common expenses or assessments, but such delinquent share of common expenses or assessments shall be reallocated among all of the Condominium Units in the Project, including the Condominium Unit foreclosed upon.

**Section 6. INSURANCE, DAMAGE, DESTRUCTION AND OBSOLESCENCE.**

**6.1 Destruction, Damage or Obsolescence.** Each of the Owners, by acceptance of a deed for his Condominium Unit, irrevocably constitutes and appoints the Association as his attorney-in-fact in his name, place and stead to deal with the Project upon its destruction or damage, for its repair and reconstruction or for declaring it obsolete as hereinafter provided. The Association, as attorney-in-fact, may maintain, repair and improve the Condominium Units, the Building and general and limited common elements. Title to each Condominium Unit is declared and expressly made subject to the terms and conditions of this Section 6. As attorney-in-fact, the Association, by its President and Secretary or Assistant Secretary or its other duly authorized officers or agents, shall have full and complete authorization, right and power to make, execute and deliver any contract, deed or any other instrument with respect to the interest of a Unit Owner which is deemed necessary or appropriate to exercise any of the powers herein granted. Repair and reconstruction of the improvements as used in the succeeding paragraphs means restoring the improvements to substantially the same condition in which they existed prior to the damage, with each Unit and the general and limited common elements having substantially the same vertical and horizontal boundaries as before. The proceeds of any insurance collected shall be payable to the Association for the purpose of repair, restoration, reconstruction or replacement unless the Owners and first mortgagees agree not to rebuild in accordance with the provisions set forth hereinafter. In the event of damage or destruction due to fire or other disaster, the insurance proceeds, if sufficient to reconstruct the improvements, shall be applied by the Association, as attorney-in-fact, to such reconstruction, and the improvements shall be promptly repaired and reconstructed.

**6.2 Association to Maintain Insurance.** The Board of Directors shall obtain and maintain, to the extent obtainable, the following insurance: (i) fire insurance with extended coverage, vandalism and malicious mischief endorsements, insuring the entire Project improvements and any common element personal property (excluding personal property owned by an Owner individually), in an amount equal to the full replacement value thereof, without deduction for depreciation. The policy shall contain a standard mortgage clause in favor of each mortgagee of a Condominium Unit which shall provide that the loss, if any, shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provision in favor of the Association set forth in paragraph 6.1; (ii) public liability insurance in such limits as the Board of Directors may from time to time determine, covering each member of the Board, the Manager and each Unit Owner, but not covering individual Units. Such public liability insurance shall also cover cross liability claims of one insured against the other. Initially, such public liability insurance shall be in a single limit of \$1,000,000 covering all claims for bodily injury or property damage arising out of one occurrence and the policy limits may be increased from time to time as the Board of Directors deems appropriate; (iii) plate or other glass insurance; (iv) workmen's compensation insurance if required; (v) such other insurance as the Board of Directors may determine. All policies of public liability insurance shall contain waivers of subrogation and waivers of any defense based on co-insurance or of invalidity arising from any acts of an insured and shall provide that such policies may not be cancelled or substantially modified without at least ten days' prior written notice to all of the insured parties including mortgagees. Duplicate originals of all policies and renewals thereof together with proof of payments of premiums shall be delivered to all first mortgagees at least ten days prior to expiration of the then-current policies. The insurance shall be carried in blanket form naming the Association as the insured and as Attorney-in-fact for all the Unit Owners, and the policy or policies shall set forth each Owner's name and Unit number. Prior to obtaining any policy of fire insurance or renewal thereof, the Board of Directors shall obtain an appraisal of the full replacement value of the entire Project improvements, without deduction for depreciation, for the purpose of determining the amount of the insurance to be obtained pursuant to the provisions hereof. In no event shall the insurance policy contain a co-insurance clause for less than 90 percent of the full replacement cost.

**6.3 Unit Owners' Insurance.** Unit Owners may carry other insurance for their benefit and at their own expense, provided that all such policies shall contain waivers of subrogation, and provided, further, that the liability of the carriers issuing insurance obtained by the Board of Directors shall not be affected or diminished by reason of any such additional insurance carried by any Unit Owner. Insurance coverage on furnishings and other items of personal or other property belonging to an Owner and public liability coverage within each Unit shall be the sole and direct responsibility of the Owner thereof, and the Board of Directors, the Association and the Manager shall have no responsibility therefor.

**6.4 Action to be Taken if Insurance Proceeds are Insufficient to Repair and Damage is not More Than 60 Percent of Replacement Cost.** If the insurance proceeds are insufficient to repair and reconstruct the improvements and if repair of such damage will not cost more than 60 percent of the total replacement cost of all of improvements in the Project, not including land, such damage or destruction shall be promptly repaired and reconstructed by the Association, as attorney-in-fact, using the proceeds of insurance and, if insurance proceeds are insufficient, the proceeds of a special assessment to be made against all of the Owners and their Condominium Units. Such deficiency assessment shall be a common expense and shall be due and payable within 30 days after written notice thereof has been mailed to each Owner. Subject to the foregoing, the Association shall have full authority, right and power, as attorney-in-fact, to cause the repair or restoration of the improvements using all of the insurance proceeds for such purpose notwithstanding the failure of an Owner to pay the assessment. Assessments for common expenses shall not be abated during the period of insurance adjustment and repair and reconstruction unless otherwise determined by the Board of Directors.

**6.5 Special Assessment Lien.** The assessment provided for in paragraph 6.4 shall be a personal debt of each Owner and a lien upon his Condominium Unit and may be enforced and collected as provided in paragraphs 5.8 and 5.10 above, and the Owner shall be required to pay to the Association all amounts provided for in said paragraphs. In addition, the Association, as attorney-in-fact, shall have the absolute right and power to sell the Condominium Unit of any Owner refusing or failing to pay such assessment within the time provided, and if not so paid, the Association shall cause to be recorded a notice that the Condominium Unit of the delinquent Owner shall be sold by the Association as attorney-in-fact, pursuant to the provisions of this paragraph. The proceeds derived from such sale shall be used and disbursed in the following order:

1. For payment of customary expenses of sale and the balance of the lien of any first mortgage;
2. For payment of taxes and special assessment liens in favor of any assessing entity;
3. For payment of unpaid common expenses and all costs, expenses and fees incurred by the Association;
4. For payment of junior liens and encumbrances in the order of and to the extent of their priority.

The balance remaining, if any, shall be paid to the Unit Owner.

**6.6 Action to be Taken if Insurance Proceeds are Insufficient to Repair and Damage is More than 60 Percent of Replacement Cost.**

(a) **Sale of Project.** If the insurance proceeds are insufficient to repair and reconstruct the damaged improvements, and if such damage is more than 60 percent of the total replacement cost of all of the improvements in the Project not including land, and if the Owners representing a majority of the basic value do not within 100 days after the damage has occurred make provisions for reconstruction and obtain the approval for such action of the first mortgagees representing at least a majority of the basic value of Units which are subject to mortgages, then the Association shall forthwith record a notice setting forth such facts and thereafter the entire remaining Project shall be sold by the Association pursuant to the provisions of this paragraph, as attorney-in-fact for all of the Owners, free and clear of the provisions contained in this Master Deed, the Plan, Articles of Incorporation and the By-Laws. Assessments for common expenses shall not be abated during the period prior to sale. The insurance settlement proceeds and net sales proceeds shall be collected by the Association, and shall be divided by the Association according to each Owner's share interest in the common elements. The proceeds shall be paid into separate accounts, each such account representing one of the Condominium Units. Each such account shall be in the name of the Association and shall be identified by the Unit designation and the name of the Owner. From each account the Association shall disburse monies in the order set forth in paragraph 6.5 above.

(b) **Reconstruction.** If the insurance proceeds are insufficient to repair and reconstruct the damaged improvements and if such damage is more than 60 percent of the total replacement cost of all the improvements in the Project not including land, and if the Owners and mortgagees adopt a plan for reconstruction, as provided in paragraph 6.6(a) within 100 days after the damage has occurred, then all the Owners shall be bound by the terms and other provisions of such plan. In that event such damage or destruction shall be promptly repaired and reconstructed by the Association, as attorney-in-fact, using the proceeds of insurance and the proceeds of a special assessment to be made against all of the Owners and their Units in accordance with the plan of reconstruction. Such assessment shall be a common expense and made according to each Owner's share interest in the common elements and shall be due and payable within 30 days after written notice thereof has been mailed to each Owner. Subject to the foregoing, the Association shall have full authority, right and power, as attorney-in-fact, to cause the repair or restoration of the improvements using all of the insurance proceeds for such purpose notwithstanding the failure of an Owner to pay the assessment. Assessments for common expenses shall not be abated during the period of insurance adjustment and repair and reconstruction unless otherwise determined by the Board of Directors.

(c) Special Assessment Lien. The Assessment provided for in subparagraph 6.6(b) shall be a personal debt of each Owner and a lien on his Condominium Unit and may be enforced and collected by either of the methods provided for in paragraphs 5.8, 5.10 and 6.5 above, and the Owner shall be required to pay to the Association all amounts provided for in said paragraphs. If the Association elects to sell the Condominium Unit, the proceeds shall be disbursed as set forth in paragraph 6.5 above.

6.7 Obsolescence of Common Elements. The Owners representing an aggregate ownership interest of at least 80 percent of the basic value may agree that the common elements are obsolete and adopt a plan for their renewal and reconstruction, which plan must be approved by all first mortgagees. If a plan for renewal and reconstruction is adopted, notice of such plan shall be recorded, and the expense of renewal and reconstruction shall be specially assessed against all of the Owners and their Units as a common expense in accordance with the plan for renewal and reconstruction, whether or not they have previously consented to the plan of renewal and reconstruction. The assessment provided for herein shall be a personal debt of each Owner and a lien on his Condominium Unit and may be enforced and collected by either of the methods provided in paragraphs 5.8, 5.10 and 6.5 above, and the Owner shall be required to pay to the Association all amounts provided for in said paragraphs. If the Association elects to sell the Condominium Unit, the proceeds shall be disbursed as set forth in paragraph 6.5 above.

6.8 Obsolescence of Condominium Units. The Owners representing an aggregate ownership interest of 80 percent or more of the basic value may agree that the Condominium Units are obsolete and that the same should be sold. Such agreement must have the unanimous approval of every first mortgagee. The Association shall record a notice setting forth such agreement, and, upon the recording of such notice, the Project shall be sold by the Association, as attorney-in-fact, for all of the Owners free and clear of the provisions contained in this Declaration, the Plan, the Articles of Incorporation and the Bylaws. The net sales proceeds shall be collected by the Association and shall be divided according to each Owner's share interest in the general common elements. The proceeds shall be placed into separate accounts, each such account representing one of the Condominium Units. Each such account shall be in the name of the Association and shall be identified by the Unit designation and the name of the Owner. From each account the Association shall disburse monies in the order set forth in paragraph 6.5 above.

#### Section 7. RIGHT TO ACQUIRE ADDITIONAL PROPERTY.

The Association may acquire and hold for the benefit of all of the Unit Owners real and tangible and intangible personal property and may dispose of the same by sale or otherwise. The cost of any such property shall be borne by, and the beneficial interest in any such property shall be owned by, all of the Unit Owners in the same proportions as their respective interests in the common elements, and such interest therein shall not be transferable except with a conveyance of a Condominium Unit as provided in this Section 7. The Unit Owners' interest in all general and limited common elements shall remain as it was before any additions of or to the general or limited common elements, and there shall be no change in voting power of any Owner in the Association. A conveyance of a Condominium Unit shall transfer to the grantee ownership of the grantor's beneficial interest in such additional real and personal property without any reference thereto.

#### Section 8. RESTRICTIVE COVENANTS AND OBLIGATIONS.

8.1 Office Use; Structures. Each Unit shall be used and occupied only as a business or professional office and for uses related to the convenience and enjoyment of such office use. All buildings or structures erected upon the Property shall be of new construction, and no buildings or structures shall be moved from other locations onto the Property, and with the exception of buildings constructed as part of the general common elements, no buildings other than the Building and structures shown on the Plan shall be erected or constructed on the Property except with the approval of Owners representing at least 75 percent of the basic value. No structures of a temporary character, trailers, tents, shacks, or other outbuildings shall be used or permitted to be kept or stored on any portion of the Property at any time, either temporarily or permanently, except as provided in paragraph 8.2 hereof.

**8.2 Use of Property.** No billboards, unsightly objects or nuisances shall be erected, placed or permitted to remain on the Property, nor shall any part of the Project be used in any way or for any purpose which may endanger the health or unreasonably disturb the Owner of any Unit or any tenant, employee or contractor occupying any Unit. During the construction and sale period, no "For Rent" or "For Sale" signs whatsoever shall be permitted on the Property without the express written approval of the Declarant. No wholesale or retail sales of goods shall be allowed, and no goods (except office and professional supplies, equipment and samples) shall be stored permanently or temporarily in any Unit. No animals of any kind (other than animals serving the handicapped) shall be allowed on the Property. Each Unit shall be occupied by only one business or professional person or entity and its agents, servants, employees, invitees, contractors and licensees, and no Unit or any part thereof shall be subdivided into smaller units for sale or lease unless this Master Deed is first amended as herein provided.

**8.3 Rentals.** No Unit shall be rented or leased for any purpose not permitted by this Section 8. Subject to the foregoing, each Owner shall have the absolute right to lease his Unit, provided that the lease is in writing and is in all respects subject to the covenants, conditions, restrictions, limitations and uses provided in this Master Deed and the Bylaws.

**8.4 Exteriors.** The size, location, color and design of all identifying signs shall be subject to the prior approval of the Board of Directors, and no identifying sign or advertising display which is visible from the exterior of the Building shall be erected or displayed without the prior written approval of the Board of Directors. Except for those improvements erected or installed by Declarant, no exterior additions, alterations or decorating to any buildings, nor changes in fences, hedges, walls and other structures shall be commenced, erected or maintained until the plans and specifications showing the nature, kind, shape, height, materials, location and approximate costs of the same shall have been submitted to and approved in writing as to conformity and harmony of external design and location with existing structures on the Property by the Association or by a representative designated by it.

**8.5 Antennae.** No exterior television, radio or microwave antennas of any sort shall be placed, allowed or maintained upon any portion of the improvements to be located upon the Property, nor upon any structure situated upon the Property, other than an aerial for a master antenna system, should such system be utilized and require any exterior antenna, unless written permission is obtained from the Association.

**8.6 Parking Facilities.** All parking facilities, whether or not appurtenant to Units, shall be under the control of the Association, and the Board of Directors may from time to time adopt rules and regulations governing the use thereof.

**8.7 Trailers, Etc.** No trailers, detached campers, boats, mobile homes, trucks, grading or excavating equipment or other heavy machinery shall be parked or stored on the Property. No repairs of automobiles or other vehicles will be permitted on the Property at any time.

**8.8 Nuisance.** No nuisance shall be allowed on the Property or within the Project, nor shall any use or practice be permitted which is a source of annoyance to Owners or which interferes with the peaceful enjoyment or possession and proper use of the Project by its Owners. All parts of the Project shall be kept in a clean and sanitary condition, and unused building materials, junk, rubbish, refuse and garbage shall be regularly removed and shall not be allowed to accumulate, nor shall any fire hazard be permitted to exist. All refuse containers, service yards, and storage piles shall be kept screened by adequate planting or fencing so as to conceal them from view of neighboring residences and streets. No Unit Owner shall permit any use of his Unit or make any use of the common elements which will increase the rate of insurance upon the Project.

**8.9 Lawful Use.** No improper, offensive or unlawful use shall be permitted or made of the Project or any part thereof. All valid laws, ordinances and regulations of all governmental bodies having jurisdiction shall be observed.

**8.10 Regulations.** Rules and regulations may be adopted by the Board of Directors concerning and governing the use of the general and limited common elements and the abatement of nuisance; provided, however, such rules and regulations shall be uniform and non-discriminatory. Copies of all such rules and regulations shall be furnished to Unit Owners prior to the time that they become effective.

**8.11 Variances.** The Board of Directors of the Association shall be responsible for the enforcement of the provisions of this Section, and in a proper case may permit variances. Any variance or adjustment of the provisions of this Section 8 granted by the Board of Directors or any acquiescence or failure to enforce any violation of the conditions and restrictions of this Section 8 shall not be deemed to be a waiver of any of the conditions and restrictions hereof in the same or any other instance.

#### Section 9. GENERAL RESERVATIONS.

**9.1 Declarant's Rights.** Declarant reserves the right to establish easements, reservations, exceptions and exclusions consistent with the condominium ownership of the Project and for the best interest of all of the Unit Owners, including the Declarant, in order to serve the entire Project.

**9.2 Control of Association.** Notwithstanding any other provision expressly or impliedly to the contrary contained in this Master Deed, the Articles of Incorporation or By-laws of the Association, Declarant reserves the right to exercise the rights, duties and functions of the Board of Directors of the Association until the first to occur of the following: (i) January 1, 1984; (ii) the closing of the sale of the fifth Unit by the Declarant; or; (iii) the voluntary relinquishment by the Declarant of control of the Association by written notice to all Owners.

#### Section 10. MISCELLANEOUS PROVISIONS.

**10.1 Registration of Mailing Address and Transfer of Ownership.** Each Owner shall register his mailing address with the Association, and notices or demands required to be served upon an Owner shall be sent by mail, postage prepaid, addressed to the Owner at such registered mailing address. In the event of failure of an Owner to register his mailing address, notice may be served upon an Owner by leaving a copy thereof at his Unit. Upon sale or other transfer of his Condominium Unit, each Owner shall give notice to the Association of the name and address of his transferee, and the Association shall be justified in relying upon the latest information received by it with respect to any question involving the ownership of a Condominium Unit.

**10.2 Period of Condominium Ownership.** The separate condominium estates created by this Master Deed and the Plan shall continue until this Master Deed is revoked in the manner provided in paragraph 4.5 or until terminated as provided in Section 6 hereof.

**10.3 Acceptance of Provisions of Documents.** The conveyance or encumbrance of a Condominium Unit shall be deemed to include the acceptance of all of the provisions of this Master Deed, the Articles of Incorporation, the Bylaws and the Rules and Regulations, and the same shall be binding upon each grantee and encumbrancer without the necessity of inclusion of such an express provision in the instrument of conveyance or encumbrance.

**10.4 Assessment Reserves.** The Association may require an Owner other than Declarant to deposit with the Association up to three times the amount of the estimated monthly common assessment, without interest, which sum shall be held by the Association as a reserve to be used for paying such Owner's monthly common assessment and for working capital. Such an advance payment shall not relieve an Owner from making the regular monthly payment of the monthly common assessment as the same comes due. Upon the sale of his Condominium Unit an Owner shall be entitled to a credit from his grantee for any unused portion thereof.

10.5 Mortgagee Protection Clause. No breach of any of the covenants, conditions and restrictions herein shall render invalid the lien of any first mortgage on any Unit made in good faith and for value, but all of said covenants, conditions and restrictions shall be binding upon and effective against any Owner whose title is derived through foreclosure or trustee's sale, or otherwise.

In the event of eminent domain proceedings involving any Unit or any part of the common elements or substantial damage to or destruction of any Unit or any part of the common elements, first mortgagees of affected Units which are institutions shall be timely notified of such proceedings, damage or destruction. Notwithstanding any language contained in this Master Deed to the contrary, no Owner and no other party shall have priority over any rights of mortgagees pursuant to their mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards for losses to or taking of the Units or any part of the Property.

Institutional lenders who are first mortgagees shall have the right (a) to examine the books and records of the Association during normal business hours; (b) upon written request to receive an annual financial statement of the Association within 90 days following the end of any fiscal year thereof; and (c) upon written request to receive written notice of meetings of the Association and be permitted to designate a representative to attend such meetings.

**Section 11. GENERAL PROVISIONS.**

**11.1 Invalidity.** If any of the provisions of this Master Deed or any paragraph, sentence, clause, phrase or word, or the application thereof in any circumstance be invalidated, such invalidity shall not affect the validity of the remainder of this Master Deed, and the application of any such provision, paragraph, sentence, clause, phrase or word in any other circumstances shall not be affected thereby.

**11.2 Interpretation.** The provisions of this Master Deed shall be in addition to and supplemental to the Condominium Property Act of the State of Nebraska and to all other provisions of law. Whenever used herein, unless the context shall otherwise require, the singular number shall include the plural, the plural number shall include the singular, and the use of any gender shall include all genders.

The purpose or purposes for which the Association is organized are as follows:

A. To be and constitute the Association to which reference is made in the Master Deed and Declaration Creating 11605 Condominium Offices, a Condominium Property Regime (herein sometimes called the "Master Deed") of record, or which will be of record in the office of the Register of Deeds of Douglas County, Nebraska, relating to an office project (herein called the "Project") in the City of Omaha, Douglas County, Nebraska, and to perform all obligations and duties of the Association and to exercise all rights and powers of the Association, specified therein as well as those more fully set forth herein. Terms which are defined in the Master Deed shall have the same meanings herein unless otherwise defined.

B. To provide an entity for the furtherance of the interests of the Owners of Condominium Units, as defined in the Master Deed, in the Project.

ARTICLE IV

In furtherance of its purposes, but not otherwise, the Association shall have the following powers:

A. All Common Law and Statutory Powers. All of the powers conferred upon not for profit corporations by the common law and statutes of the State of Nebraska in effect from time to time.

B. Powers Needed to Effectuate the Declaration. All of the powers necessary or desirable to perform the obligations and duties and to exercise the rights and powers of the Association under the above-reference Master Deed including, without limitation, the following powers:

1. Assessments. To make and collect assessments against Owners for the purposes of defraying the costs, expenses and any losses of the Association, or of exercising its powers or of performing its functions;

2. Common Elements. To manage, control, operate, maintain, repair and improve the common elements;

The foregoing enumeration of powers shall not limit or restrict in any manner the exercise of other and further rights and powers which may now or hereafter be allowed or permitted by law; and the powers specified in each of the paragraphs of this Article IV are independent powers, not to be restricted by reference to or inference from the terms of any other paragraph or provision of this Article IV.

C. Limitations on Powers. Notwithstanding other provisions of this Article IV, unless all of the holders of first mortgages secured by Condominium Units and the Owners representing an aggregate ownership interest of at least 80 percent of the basic value shall be consented and agreed, the Association shall not be empowered or entitled to:

1. By act or omission seek to abandon or terminate the Project;

2. By act or omission seek to abandon, partition, subdivide, encumber, sell, transfer or otherwise alienate any of the common elements of the Association, except in accordance with Bylaw provisions in the event of a taking of common elements by right of eminent domain;

3. Use hazard insurance proceeds for loss to the improvements for other than repair, replacement or reconstruction; or

4. Amend the Bylaws of the Association to change the ratio of assessments against Unit Owners.

#### ARTICLE V

There shall be one class of membership, and there shall be one membership in the Association for the aggregate ownership interest of each Condominium Unit. The Declarant named in the Declaration shall have one membership for each Condominium Unit shown in the Plan and not owned by any other person, whether or not such Unit has been built or completed.

The Declarant shall have and be entitled to cast in all such matters the votes allocated to all Units not owned by any other Owner, whether or not such Units have been built or completed. If title to any Unit shall be held by two or more co-tenants, each such co-tenant shall be a member of the Association and the vote for such shall be exercised as the co-owners among themselves agree, or in the absence of such agreement, each such co-tenant shall be entitled to vote equal in weight to such co-tenant's percentage of ownership of the Unit. The co-tenant's percentage of ownership of a Unit shall be as determined by the title documents of such Unit; in the absence of specific limitation, co-tenants shall be presumed to have equal undivided interests. No person or entity other than an owner of a Unit may be a regular member of the Association.

C. Membership Appurtenant to Units. A membership in the Association and the share of a member in the assets of the Association shall not be assigned, encumbered or transferred in any manner except as an appurtenance to transfer of title to the Unit to which the membership appertains; provided, however, that the rights of membership may be assigned to the holder of a mortgage, deed of trust, or other security instrument on a Unit as further security for a loan secured by a lien on such Unit.

D. Transfer. A transfer of membership shall occur automatically upon the transfer of title to the Unit to which the membership appertains, provided, however, that the Bylaws of the Association may contain reasonable provisions and requirements with respect to recording such transfers on the books and records of the Association.

E. Suspension of Voting Rights. The Association may suspend the voting rights of a member for failure to comply with rules, regulations, or Bylaws of the corporation or for failure to comply with other obligations of the Owners of a Unit under the Master Deed, or any agreement created pursuant thereto.

F. Bylaws Applicable to Members' Rights. The Bylaws may contain provisions, not inconsistent with the foregoing, setting forth the rights, privileges, duties and responsibilities of the members.

2.2 Transfer of Membership. A membership in the Association and the share of a member in the assets of the Association shall not be assigned, encumbered or transferred in any manner except as an appurtenance to transfer of title to the Unit to which the membership pertains; provided, however, that the rights of membership may be assigned to a mortgagee of a Unit as further security for a loan secured by a lien on such Unit. A transfer of membership shall occur automatically upon the transfer of title to the Unit to which the membership pertains, but the Association shall be entitled to treat the person or persons in whose name or names the membership is recorded on the books and records of the Association as a member for all purposes until such time as evidence of a transfer of title, satisfactory to the Association, has been submitted to the Secretary. A transfer of membership shall not release the transferor from

liability for obligations accrued incident to such membership prior to such notification of transfer. In the event of dispute as to membership appurtenant to any Unit, title to the Unit, as shown in the records of the Register of Deeds of Douglas County, Nebraska, shall be conclusive on all parties.

Section 3. ADMINISTRATION AND MEETINGS OF MEMBERS.

3.1 General. The members of the Association are responsible to administer the affairs of the Association through a Board of Directors as herein provided. Notwithstanding any other provision herein, in the Articles of Incorporation or in the Master Deed, however, Thomas C. Emery, Trustee (the "Declarant") shall have the right to exercise the rights, duties and functions of the Board of Directors until sale by it of the last Unit owned by it in the Project, or until January 1, 1984, whichever is earlier.

3.2 Place of Meetings. Meetings of the Association shall be held at such place as the Board of Directors may determine.

3.3 Annual Meetings. The first annual meeting of the members of the Association shall be held within 120 days after the Declarant has given notice that all Units have been sold, or on the third Monday in January, 1984, whichever shall first occur. Subsequent annual meetings shall be held annually thereafter. At such meeting there shall be elected a Board of Directors in accordance with the requirements of these Bylaws. The members may also transact such other business of the Association as may properly come before them.

3.4 Special Meetings. Special meetings of the members for any proper corporate purpose may be called by the President as directed by resolution of the Board of Directors or upon petition signed by Owners holding one-half of the votes in the Association entitled to be cast by members. Such petition shall state the purpose or purposes of such proposed meeting. No business shall be transacted at a special meeting, except as stated in the notice, unless by consent of two-thirds of the votes entitled to be cast by members present, either in person or by proxy.

3.5 Notice of Meetings. The President or Secretary shall give or cause to be given written notice of each meeting by mailing or hand delivering such notice at least ten days prior to such meeting, unless a different period is required by statute or the Master Deed, to each member at the respective addresses of said members as they appear on the records of the Association. The notice shall specify the place, day and hour of the meeting and, in the case of a special meeting, the purpose of the meeting.

3.6 Quorum. The presence, either in person or by proxy, of a majority of the votes entitled to be cast by members shall constitute a quorum for all purposes unless the representation of a larger number of votes shall be required by statute, by the Master Deed, by the Articles of Incorporation or by these Bylaws, and in that event representation of the number so required shall constitute a quorum.

3.7 Adjournment of Meeting. If the number of members necessary to constitute a quorum shall fail to attend in person or by proxy at the time and place of meeting, the Chairman of the meeting, or a majority in interest of the members present in person or by proxy, may adjourn the meeting from time to time without notice other than an announcement at the meeting until the necessary number of members shall be in attendance. At any adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the original meeting.

3.8 Proxies. At all meetings of members, each member may vote in person or by proxy. A member may appoint any natural person as proxy, but no proxy may cast a vote for more than one Unit Owner besides himself. Should the terms of a mortgage so provide, the mortgagee may be appointed as proxy without regard to the limitations of this paragraph. All proxies shall be in writing and filed with the Secretary before the time of each meeting or upon the calling of the meeting to order. Every proxy shall be revocable and shall cease automatically upon conveyance of his Unit by a member.

3.9 Waiver of Notice. Any member at any time may waive any notice required to be given under these Bylaws, or by statute or otherwise. The presence of a member in person at any meeting of the members shall be deemed such a waiver.

#### Section 4. BOARD OF DIRECTORS.

4.1 Number and Qualification. The business, property and affairs of the Association shall be managed, controlled and conducted by a Board of Directors consisting of three members. The number of Directors may be increased to not more than five by amendment of this paragraph. Only members of the Association shall serve on the Board of Directors after the first annual meeting of members.

4.2 Powers and Duties. The Board of Directors shall have the powers and duties necessary for the administration of the affairs of the Association, and may do all such acts and things as are not by law or by these Bylaws directed to be exercised and done by the members. The Board of Directors may delegate to the Manager, in the manner provided in the Master Deed, all powers and duties of the Association except such as are specifically required by these Bylaws, the Articles of Incorporation or the Master Deed to be done by the members or the Board of Directors. The holders of all first mortgages on Units shall be given thirty days written notice prior to any change of Manager.

4.3 Nomination of Directors. Nominations for election to the Board of Directors to be elected at the first annual membership meeting following the relinquishment of control by the Declarant shall be made from the floor at said meeting. Thereafter, nominations shall be made by a Nominating Committee and may also be made from the floor at the annual meeting. The Nominating Committee shall consist of a chairman who shall be a member of the Board of Directors, and two or more members of the Association who shall be appointed by the Board of Directors prior to each annual membership meeting. The Nominating Committee so constituted shall serve from the close of such annual meeting until the close of the next annual meeting, and the appointment of the members thereof shall be announced at each annual meeting. The nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but not less than the number of vacancies to be filled.

4.4 Election and Term of Office. At the first annual meeting, there shall be elected the number of Directors provided in paragraph 4.1. The Directors shall be divided into three classes so that terms of one-third of the Directors shall expire in one year, the terms of one-third of the Directors shall expire in two years and the terms of the remaining Directors shall expire in three years. If one-third of the Directors is a number which includes a fraction, the fraction shall be dropped for purposes of computing how many Directors shall be elected. At each annual meeting thereafter a number of Directors equal to that of those whose terms have expired shall be elected for a term of three years. At the expiration of any term, any Director may be reelected.

4.5 Vacancies. Vacancies of the Board of Directors caused by any reason shall be filled by vote of a majority of the remaining directors even though they may consist of less than a quorum and each person so elected shall be a Director until his successor is elected by the members at the next annual meeting.

4.6 Removal of Directors. After the Declarant has relinquished control of the Association, at any regular or special meeting of the members, any one or more of the Directors may be removed with or without cause at any time by the affirmative vote of a majority of all votes entitled to be cast by the entire membership of record, and a successor may then be elected by the members to fill the vacancy thus created. Any director whose removal has been proposed by the members shall be given an opportunity to be heard at the meeting.

4.7 Compensation. No compensation shall be paid to Directors for their services as Directors, and after relinquishment of control of the Association by the Declarant no compensation shall be paid to a Director for services performed by him for the Association in any other capacity, unless a resolution authorizing such compensation shall have been unanimously adopted by the Board of Directors.

4.8 Organization Meeting. The first meeting of a newly elected Board of Directors shall be held within ten days of its election at such time and place as shall be fixed at the meeting at which such directors were elected, and no notice shall be necessary to the newly elected Directors in order legally to constitute such meeting, provided a majority of the whole Board shall be present.

4.9 Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the Directors, but at least two such meetings shall be held during each fiscal year. Notice of regular meetings of the Board of Directors shall be given to each Director, personally or by mail, telephone or telegraph, at least three days prior to the day named for the meeting.

4.10 Special Meetings. Special meetings of the Board of Directors may be called by the President or by two of the Directors on three days notice to each Director, given personally or by mail, telephone or telegraph, which notice shall state the time, place and purpose of the meeting.

4.11 Waiver of Notice. Before or at any meeting of the Board of Directors, any Director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Director at any meeting of the Board shall be a waiver of notice by him of the time and place thereof, unless such attendance is for the express reason of objecting to the transaction of any business thereat because the meeting was not legally convened. If all the Directors are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

4.12 Quorum. A majority of the Board of Directors shall constitute a quorum for the transaction of business, but if at any meeting of the Board there is less than a quorum present, a majority of those present may adjourn the meeting from time to time. Every act or decision done or made by a majority of the Directors present at a duly held meeting at which a quorum is present shall be regarded as an act of the Board of Directors.

4.13 Adjournments. The Board of Directors may adjourn any meeting from day to day or for such other time as may be prudent or necessary in the interest of the Association, provided that no meeting may be adjourned for a period longer than thirty days.

4.14 Fidelity Bonds. The Board of Directors may request that all officers and employees of the Association handling or responsible for Association funds furnish adequate fidelity bonds. The premiums for such bonds shall be paid by the Association as a common expense.

4.15 Executive Committee of Board of Directors. The Board of Directors, by resolution adopted by a majority of the Directors in office, may designate and appoint an Executive Committee of the Board. The number of members of the Executive Committee and the persons who shall be members thereof shall be determined by the Board but the number of such members shall not be fewer than two. Unless limited by resolution of the Board, the Executive Committee shall have and exercise all the authority of the Board of Directors except that such Committee shall not have the authority of the Board of Directors with reference to amending, altering or repealing the Bylaws, electing appointing or removing any member of such Committee or any officer or Director of the Association; amending the Articles of Incorporation; restating the Articles of Incorporation; adopting a plan of merger or adopting a plan of consolidation with another association; authorizing the voluntary dissolution of the Association or revoking proceedings therefor; adopting a plan for the distribution of assets of the Association; or amending, altering or repealing any resolution of the Board of Directors. All of the provisions in these Bylaws with respect to notice of meetings of Directors, quorum at such meetings, voting at such meetings and waivers of notice of such meetings shall be applicable to the meetings of the Executive Committee.

## Section 5. OFFICERS.

5.1 Designation and Qualifications. The principal officers of the Association shall be a President, a Vice President, a Secretary and a Treasurer, all

of whom shall be elected by and from the Board of Directors. Any person may hold two offices, except that the President shall not also hold the office of Secretary. The Directors may appoint an Assistant Secretary and an Assistant Treasurer, and such other officers as in their judgment may be necessary.

5.2 Election and Term of Office. The officers of the Association shall be elected annually by the Board of Directors at the organization meeting of each new Board, and each shall hold office for a period of one year, unless he shall sooner resign, be removed, or otherwise be disqualified to serve.

5.3 Resignation and Removal. Any officer may resign at any time by giving written notice of said resignation to the Board, the Secretary or the President. Any officer may be removed from office, with or without cause, upon an affirmative vote of a majority of the members of the Board of Directors, and his successor elected at any regular meeting of the Board or at any special meeting called for that purpose.

5.4 Vacancies. A vacancy in any office may be filled by appointment by the Board. The officer so appointed shall serve for the remainder of the term of the officer he replaces.

5.5 President. The President shall be the chief executive officer of the Association. He shall preside at all meetings of the members and of the Board of Directors. He shall have all of the general powers and duties which are normally vested in the office of the president of a not for profit corporation, including, but not limited to, the power to appoint such committees from among the members from time to time as he may in his discretion deem appropriate to assist in the conduct of the affairs of the Association.

5.6 Vice President. The Vice President shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If neither the President nor the Vice President is able to act, the Board of Directors shall appoint some other member of the Board to do so on an interim basis. The Vice President shall also perform such other duties as shall from time to time be delegated to him by the Board of Directors.

5.7 Secretary. The Secretary shall keep the minutes of all meetings of the members, shall have custody of the seal of the Association, shall have charge of the membership books and such other books and papers as the Board of Directors may direct and shall, in general, perform all the duties incident to the office of Secretary of a corporation.

5.8 Treasurer. The Treasurer shall have charge and custody of, and be responsible for, all funds and securities of the Association, shall deposit all such funds as provided in Section 8 hereof, shall keep correct and complete books and records of account and records of financial transactions and condition of the Association and shall submit such reports thereof as the Board of Directors may, from time to time, require; and, in general, shall perform all the duties incident to the office of Treasurer, and such other duties as may, from time to time, be assigned to him by the Board of Directors or by the President. The Board may appoint one or more Assistant Treasurers who may act in place of the Treasurer in case of his death, absence, inability or failure to act.

5.9 Compensation. No compensation shall be paid to officers for their services as officers. After relinquishment of control of the Association by the Declarant, no compensation shall be paid to any officer for services performed by him for the Association in any capacity, unless a resolution authorizing such compensation shall have been unanimously adopted by the Board of Directors.

#### Section 6. ASSOCIATION SEAL.

The Board of Directors shall provide a suitable Association seal containing the name of the Association, which seal shall be in the custody and control of the Secretary. The Association seal shall be in circular form, shall have inscribed thereon the name of the Association and the word "Nebraska" in the circle and the word "Seal" in the middle. A duplicate seal may be kept and used by such officer or other person as the Board of Directors shall determine.

Section 7. INDEMNIFICATION OF OFFICERS AND DIRECTORS.

The Association shall indemnify every Director and officer, his heirs and personal representatives against all loss, costs and expense, including counsel fees, reasonably incurred by him in connection with any action, suit or proceeding to which he may be made a party by reason of his being or having been Director or officer of the Association, except as to matters as to which he shall be finally adjudged in such action, suit or proceeding to be liable for gross negligence or willful misconduct. In the event of a settlement, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Board of Directors may determine that the person to be indemnified has not been guilty of gross negligence or willful misconduct in the performance of his duty as such Director or officer in relation to the matter involved. The foregoing rights shall not be exclusive of other rights to which such Director or officer may be entitled. All liability, loss, damage, costs and expense incurred or suffered by the Association by reason of, arising out of, or in connection with the foregoing indemnification provisions shall be treated and handled by the Association as common expenses; provided, however, that nothing in this Section 7 shall be deemed to obligate the Association to indemnify any member or Owner of a Unit, who is or has been a Director or officer of the Association, with respect to any duties or obligations assumed or liabilities incurred by him under and by virtue of the Master Deed as a member of the Association or Owner of a Unit.

Section 8. MISCELLANEOUS.

8.3 Checks, Drafts, Etc. All checks, drafts or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the Association shall be signed by such officer or officers, or agent or agents, of the Association and in such manner as shall from time to time be determined by resolution of the Board of Directors.

Upon written request by an Owner or his agent, by a prospective buyer or by a mortgagee of a Unit, the Association shall furnish a written statement of the amount of any unpaid assessments, the amount of the current assessments, the date that assessments are due, the amount of any advance payments made, prepaid items such as insurance premiums and reserves therefor and deficiencies in reserve accounts. Such statements shall be conclusive upon the Association in favor of all persons who rely thereon in good faith. Unless such request is complied with within 10 days after receipt of written request therefor, all unpaid assessments which became due prior to the date of such request shall be subordinate to the rights of the person requesting such statement. A reasonable service fee may be charged for furnishing the statement of account.

8.6 Fiscal Year. The fiscal year of the Association shall be determined from time to time by resolution of the Board of Directors.

8.7 Annual Assessments. The Board of Directors shall fix, levy and collect assessments in the manner and for the purposes specified in the Master Deed, and the members shall pay assessments as therein provided.

The Board of Directors or the Manager shall keep detailed records of the actions of the Board of Directors and the Manager, minutes of the meetings of the Board of Directors, minutes of the meetings of members, and financial records and books of account of the Association, including a chronological listing of receipts and expenditures, as well as a separate account for each Unit which, among other things, shall contain the amount of each assessment of common expenses against such Unit, the date when due, the amounts paid thereon, and the balance remaining unpaid. A written report summarizing all receipts and expenditures of the Association shall be rendered by the Board of Directors to all members at least semi-annually. In addition, an annual report of the receipts and expenditures of the corporation certified by an independent certified public accountant, shall be rendered by the Board of Directors to all Unit Owners and to all mortgagees of Units who have requested the same, promptly after the end of each calendar year.

8.10 Notices. All notices or demands intended to be served upon the Association, its Board of Directors or Manager, whether pursuant to the Master Deed or not, shall be sent by registered or certified mail, postage prepaid, to the following address: c/o John P. Chudy, 11605 West Dodge Road, Suite 5, Omaha, Nebraska 68154, unless and until this Bylaw is amended.

8.11 Rules and Regulations. Restrictions and requirements upon the use and maintenance of the Units and use of the general and limited common elements, which are intended to prevent unreasonable interference with the use and enjoyment of the Units and the common elements by the Unit Owners are set forth in the Rules and Regulations attached hereto as Exhibit "1". The Rules and Regulations may be amended from time to time by the Board of Directors with approval of a majority of the votes entitled to be cast by members present or represented by proxy at any regular or special meeting thereof.

8.12 No Restrictions on Resale. There are no restrictions or requirements concerning the sale or lease of a Unit, nor are there any rights of first refusal on sale or other restraints on the free alienability of any Unit.

8.13 Notice to First Mortgagee. The holder of a first mortgage on any Unit who requests such notice in writing shall be given notice of any change in the Bylaws, Articles of Incorporation or Master Deed at least 30 days prior to the effective date of such change.

8.14 Parliamentary Authority. 9.1 Amendment by the Members. These Bylaws may be amended by the affirmative vote of a majority of the votes entitled to be cast by members present or represented by proxy at any regular or special meeting. Amendments may be proposed by the Board of Directors or by petition signed by members holding a majority of the votes entitled to be cast at any meeting. A statement of any proposed amendment shall accompany the notice of any regular or special meeting at which such proposed amendment shall be voted upon.

9.2 Amendment by Directors. The Board of Directors may at any time propose an amendment to these Bylaws and shall notify all members thereof in writing, together with a statement of the purposes of the amendment and such other matters as the Board deems material to the consideration of the amendment. Such amendment shall be deemed adopted and these Bylaws thereby amended unless members representing 25 percent of the votes of the Association have notified the Board of Directors of their objection thereto in writing within 30 days after the date of such notice.
