The architectural committee is a governing and advisory body comprised of members of the Homeowner's Association formed to ensure the covenants are enforced to protect all members of the Homeowner's Association.

Plans shall include a site plan showing the location where each building is to be erected. Said plans shall include at least four (4) exterior elevations, exterior material, floor plan, foundation plan, plot plan, and landscape plan. Exterior colors of homes shall be of earth tone hues and be harmonious and compatible with the subdivision. 2. Membership and Voting. The Cinnamon Acres Subdivision is divided into forty (40) separate lots, the Cinnamon Acres Replat Subdivision is divided into thirty-seven (37) separate lots, and the Cinnamon Acres Replat II Subdivision is divided into five (5) separate lots (referred to collectively as the "Lots"). The "Owner" of each Lot shall be a Member of this Association. For purposes of this Declaration, the term "Owner" of a Lot means and refers to the record owner, whether one or more persons or entities, of fee simple title to a Lot, but excluding however those parties having any interest in any of such Lot merely as security for the performance of an obligation (such as a contract seller, the trustee or beneficiary of a deed of trust, or a mortgagee). The purchaser of a Lot under a land contract or similar instrument shall be considered to be the "Owner" of the Lot for purposes of this Declaration. Membership shall be appurtenant to ownership of each Lot, and may not be separated from ownership of each Lot.

3. Purposes and Responsibilities. The Association shall have the powers conferred upon not for profit corporations by the Nebraska Nonprofit Corporation Act, and all powers and duties necessary and appropriate to accomplish the Purposes and administer the affairs of the Association. The powers and duties to be exercised by the Board of Directors, and upon authorization of the Board of Directors by the Officers, shall include but shall not be limited to the following:

January 28, 1995

- A. The acquisition, development, maintenance, repair, replacement, operation and administration of Common Facilities within the Subdivisions, and the enforcement of the rules and regulations relating to the Common Facilities within the Subdivisions. - B. The landscaping, mowing, watering, repair and replacement of parks and other public property and improvements on parks or public property within the Subdivisions.
- C. The fixing, levying, collecting, abatement, and enforcement of all charges, dues, or assessments made pursuant to the terms of this Declaration.
- D. The expenditure, commitment and payment of Association funds to accomplish the purposes of the Association including, but not limited to, payment for purchase of insurance covering any Common Facility against property damage and casualty, and purchase of liability insurance coverage for the Association, the Board of Directors of the Association and the Members.
- E. The exercise of all of the powers and privileges, and the performance of all of the duties and obligations of the Association as set forth in this Declaration, as the same may be amended from time to time.
- F. The acquisition by purchase or otherwise, holding, or disposition of any right, title or interest in real or personal property, wherever located, in connection with the affairs of the Association.
- G. The deposit, investment and reinvestment of Association funds in bank accounts, securities, money market funds or accounts, mutual funds, pooled funds, certificates of deposit or the like.
- H. The employment of professionals and consultants to advise and assist the Officers and Board of Directors of the Association in the performance of their duties and responsibilities for the Association.
- I. General administration and management of the Association, and execution of such documents and doing and performance of such acts as may

January 28, 1995

be necessary or appropriate to accomplish such administration or management.

J. The doing and performing of such acts, and the execution of such instruments and documents, as may be necessary or appropriate to accomplish the purposes of the Association.

4. Mandatory Duties of Association. The Association shall maintain and repair any boundary fence, entrance monuments, and signs which have been installed by Declarant in generally good and neat condition.

5. Imposition of Dues and Assessments. The Association may fix, levy and charge the Owner of each Lot with dues and assessments (herein referred to respectively as "dues and assessments") under the following provisions of this Declaration. Except as otherwise specifically provided, the dues and assessments shall be fixed by the Board of Directors of the Association and shall be payable at the times and in the manner prescribed by the Board.

6. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues and assessments in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Developer.

7. Liens and Personal Obligations for Dues and Assessments. The assessments and dues, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Owner of each Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successors, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

8. Purpose of Dues. The dues collected by the Association may be committed and expended to accomplish the purposes of the Association described in Section 1 of this Article, and to perform the Powers and Responsibilities of the Association described in Sections 3 and 4 of this Article.

9. Annual Waiver of Board of Director's Dues. With the approval of seventy-five percent of the Members of the Association, payment of dues, exclusive of any other

January 28, 1995

assessments, shall be waived for the Board of Directors. The above stated waiver of dues shall remain in effect during the tenure of each Board of Director not to exceed twelve (12) months. The Members of the Association shall be required to reauthorize the waiver of dues by vote on an annual basis.

10. Assessments for Extraordinary Costs. In addition to the dues, the Board of Directors may levy an assessment or assessments for the purpose of defraying, in whole or in part, the costs of any acquisition, construction, reconstruction, repair, painting, maintenance, improvement, or replacement of any Common Facility, including fixtures and personal property related thereto, and related facilities.

11. Excess Dues and Assessments. With the approval of seventy-five percent of the Members of the Association, the Board of Directors may increase dues and/or assessments in excess of the maximums established in this Declaration. Dues are established at \$25.00 per month per lot.

12. Uniform Rate of Assessment. Assessments and dues shall be fixed at a uniform rate as to all Lots, but dues may be abated as to individual Lots, as provided in Section 5 above.

13. Certificate as to Dues and Assessments. The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Lot have been paid to the date of request, the amount of any delinquent sums, and the due date and amount of the next succeeding dues, assessment or installment thereof. The dues and assessments shall be and become a lien as of the date such amounts first become due and payable.

14. Effect of Nonpayment of Assessments-Remedies of the Association. Any installment of dues or assessment which is not paid when due shall be delinquent. Delinquent dues and assessment shall bear interest from the due date at the rate of nine percent (9%) per annum, compounded annually. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Area or abandonment of his Lot. The mortgagee of any Lot shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.

15. Subordination of the Lien to Mortgagee. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as collateral for a home improvement or purchase money loan. Sale or transfer of any Lot shall not affect or terminate the dues and assessment lien.

**ARTICLE IV.

A perpetual license and easement is hereby reserved in favor of and granted to Omaha Public Power District, U.S. West Communications, Peoples Natural Gas, to the licensed operator of the Subdivisions community wells and potable water distribution system, and any company which has been granted a franchise to provide a cable television system within the Lots, their successors and assigns, to erect and operate, maintain, repair and renew buried or underground water and gas mains and cables, lines or conduits and other electric and telephone utility facilities for the carrying and transmission of electric current for light, heat and power and for all telephone and telegraph and message service and for the transmission of signals and sounds of all kinds including signals provided by a cable television system and the reception on, over, through, under and across a five (5) foot wide strip of land abutting the side boundary lines of the Lots; an sixteen (16) foot wide strip of land abutting the rear boundary lines of the Lots, a ten (10) foot wide strip of land abutting the front boundary lines of the Lots.

Failure by the Board of Directors or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

2. The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity. This Declaration may be amended by an instrument signed by the owner of not less than seventy-five percent (75%) of the Lots covered by this Declaration.

hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. All subsequent purchasers shall take title subject to said lien and shall be bound to inquire of the Association as to the amount of any unpaid assessments. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment became due. The personal obligation for delinquent assessments shall pass to subsequent purchasers, and shall be a continuing lien upon the property.

Section 2. Easement and Licenses. The Association and the Declarant reserve the right to grant such further easements and licenses under, upon or over said Lots as may be necessary or required by utilities furnishing gas, water, telephone, electrical and television or other utility services to said Properties. The Properties shall further be subject to existing easements for abutting roadways and right-of-ways.

ARTICLE III

PROPERTY RIGHTS

Section 1. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties.

Section 2. Exterior Maintenance. The Association shall provide maintenance of the streets. Each Owner shall provide, at his own expense, exterior maintenance upon his respective Lot including mowing, fertilizing, watering, planting of trees, shrubs, grass and snow removal on walks and drives. Each Owner of Lots shall be responsible for all maintenance and repair of his dwelling units and he shall not permit waste but instead shall in a timely fashion maintain the exterior appearance of his unit in a clean, uniform, and orderly manner free of discolored or peeling paint or stain. Each Owner shall be responsible for prompt repair of broken glass.

The Association shall install street lights along the streets as necessary, and enter into a lease agreement on a monthly basis with the appropriate utility company.

In the event any Owner fails in his maintenance obligations the Association Board, thirty (30) days after written demand, may at its election, perform the maintenance including but not limited to, painting, roofing, staining, repairing glass, maintaining or replacing trees, shrubs, bushes, rock walls, or otherwise, as may be necessary to cause the property to comply with this section. The cost of any Board ordered repair shall become a lien upon the Lot and Lots repaired without further Board action and the Owner(s) shall be personally obligated to reimburse the actual costs incurred. The Association may at its option elect to provide garbage and trash pick-up service, or any other exterior service, repair or maintenance, and may include the

costs thereof in the assessments.

In the event that the need for maintenance or repair to Lots caused through the willful or negligent act of an Association member, family, or guests or invitees, the costs of such maintenance or repairs shall be added to and become a part of the assessment to which such Lot is subject, and such added assessment shall not be subject to the maximum assessment limitations herein contained.

Section 3. Payment of Dues Assessments. The annual assessments shall be payable in 12 equal monthly installments one month in advance on or before the first day of each month; provided, however, the Directors of the Association may establish a different method of payment upon notice to the Owners. Special assessments shall be payable in the manner, amounts, and times specified by the Directors.

Section 4. Notice and Quorum. Written notice of any meeting called for the purpose of taking any action authorized under Section 4 or 5 shall be delivered either personally or by mail to all members not less than 10 days nor more than 50 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 5. Rate of Assessment. The total annual assessments shall be levied at an equal rate against each Lot.

Section 6. Monthly Dues. Unless excess dues have been authorized by the Members in accordance with Section 7, below, the aggregated dues which may become due and payable in any year shall not exceed the greater of:

- (a) Twenty-five (\$25.00) per Lot per month. (No common areas to maintain.)

Section 7. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to all Association members on the first day of the month following the conveyance of title of said lot to the member. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified Lot has been paid.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of sixteen percent (16%) per annum or the highest lawful rate, whichever is lower. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property in proceedings in the nature of a Mechanics Lien foreclosure. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.
