For purposes of this Declaration, the term "Owner" of a Lot means and refers to the record owner, whether one or more persons or entities, of fee simple title to a Lot, but excluding however those parties having any interest in any of such Lot merely as security for the performance of an obligation (such as a contract seller, the trustee or beneficiary of a deed of trust, or a mortgagee). The purchaser of a Lot under a land contract or similar instrument shall be considered to be the "Owner" of the Lot for purposes of this Declaration. Membership shall be appurtenant to ownership of each Lot, and may not be separated from ownership of each Lot.

E

The Owner of each Lot, whether one or more persons and entities, shall be entitled to one (1) vote on each matter properly coming before the Members of the Townhome Association. It is understood that the Owner of each respective lot created as a result of a Lot split shall each be entitled to one (1) vote.

3. Purposes and Responsibilities. The Townhome Association shall have the powers conferred upon not for profit corporations by the Nebraska Nonprofit Corporation Act, and all powers and duties necessary and appropriate to accomplish the Purposes and administer the affairs of the Townhome Association. The powers and duties to be exercised by the Board of Directors, and upon authorization of the Board of Directors by the Officers, may include but shall not be limited to the following:

A. The exterior maintenance, painting and insurance with respect to improvements constructed on the Lots.

B. The development, operation and administration of Common Facilities, and the enforcement of the rules and regulations relating to the Common Facilities.

C. The fixing, levying, collecting, abatement, and enforcement of all charges, dues, or assessments made pursuant to the terms of this Declaration.

D. H. The employment of professionals and consultants to advise and assist the Officers and Board of Directors of the Townhome Association in the performance of their duties and responsibilities for the Townhome Association.

I. General administration and management of the Townhome Association, and execution of such documents and doing and performance of such acts as may be necessary or appropriate to accomplish such administration or management.

J. The doing and performing of such acts, and the execution of such instruments and documents, as may be necessary or appropriate to accomplish the purposes of the Townhome Association.

4. Creation of the Lien and Personal Obligation of Assessments. The Declarant hereby covenants for each Assessable Lot and for each Owner of any Assessable Lot, by acceptance of a deed therefore or by entering into a

F

contract for the purchase thereof, whether or not it shall be so expressed in such deed or in such contract, that it is, and shall be, deemed to covenant and agree to pay to the Townhome Association:

- (1) Special assessments for capital improvements, and
- (2) Monthly assessments for exterior maintenance and other operational expenses with respect to each Assessable Lot as deemed necessary by the Townhome Association, and

as such assessments shall be established and collected as hereinafter provided. The special assessments and monthly assessments together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment shall be made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person, persons, or entity who, or which, was the Owner of the property at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to such Owner's successors in title, unless expressly assumed by them.

5. Purpose or Assessments. The assessments levied upon the Townhome Association shall be used exclusively to promote the health, safety, recreation and welfare of the residents in the Properties and for exterior maintenance, and other matters as more fully set out in Article III herein. Assessments shall be levied solely against an Assessable Lot. Assessable Lot shall mean and refer to any Improved Lot which the Board of Directors of the Townhome Association determines is entitled to the benefits for which assessments are levied by the Townhome Association as provided in this instrument. An Improved Lot shall mean and refer to any Lot upon which shall be erected a dwelling the construction of which shall be at least 80% constructed according to the plans and specifications for construction of said dwelling.

6. Monthly Assessments. The Board of Directors shall have the authority to levy and assess from time to time against any Assessable Lot any monthly maintenance assessment for the purpose of meeting the requirements of this Article III for exterior maintenance.

7. Special Assessment for Capital Improvements. The Townhome Association may levy special assessments from time to time against a Lot for the purpose of meeting the requirements of this Article III herein for the costs of any construction, reconstruction, repair or replacement of any capital improvements on such Lot, including fixtures and personal property related thereto, provided that any such assessment shall have the consent of two-thirds (2/3) of the votes of each Lot, who shall vote in person or by proxy at a meeting duly called for such purpose.

8. Notice and Quorum for Any Action Authorized Under this Article. Written notice of any meeting called for the purpose of taking any action authorized under this Article III shall be sent to all Members not less than 10 days nor more than 50 days in advance of such meeting. At the first such meeting called, the presence of Members, in person or by proxy, entitled to cast sixty percent (60%) of all the votes of each Lot shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum, at such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. Any such subsequent meeting shall be held within 60 days following the preceding meeting.

9. Rate of Assessment. The monthly assessments shall be paid pro rata by the Owners of all Assessable Lots based upon the total number of Assessable Lots; provided, however, the Board of Directors of the Townhome Association may equitably adjust such prorations if it determines that certain Assessable Lots on which all of the improvements are not yet completed do not receive all of the benefits for which such assessments are levied. The monthly assessments

G

may be collected on a monthly or other periodic basis by the Townhome Association. The Board of Directors of the Townhome Association shall fix the amount of the monthly or other periodic assessments against each Assessable Lot. Written notice of the assessment shall be sent to every Owner subject thereto. The dates payments are due shall be established by the Board of Directors. The special assessments for capital improvements shall only be assessed against the Assessable Lot for which the costs of such construction, reconstruction, repair or replacement of any capital improvements occurs. The Townhome Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Townhome Association, setting forth whether or not all assessments on a specified Assessable Lot have been paid. A properly executed certificate of the Townhome Association as to the status of assessments, on a particular Assessable Lot shall be binding upon the Townhome Association as of the date of its issue by the Townhome Association.

10. Effect of Nonpayment of Assessment; Remedies of the Townhome Association. Any assessment not paid within thirty (30) days after the due date shall be deemed delinquent and shall bear interest at the maximum legal rate allowable by law in the State of Nebraska, which at the time of the execution of these Declarations, is sixteen (16) percent per annum. Should any assessment remain unpaid more than sixty (60) days after the due date, the Townhome Association may declare the entire unpaid portion of said assessment for said year to be immediately due and payable and thereafter delinquent. The Townhome Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien of such assessment against the property through proceedings in any Court having jurisdiction of actions for the enforcement of such liens. No Owner may waive or otherwise escape liability for the assessments provided herein by abandonment or title transfer of such Owner's Lot.

11. Subordination of the Lien to Mortgages. The lien on the assessments provided for herein shall be subordinate to the lien of any first mortgage, first deed of trust, or other initial purchase money security device, and the holder of any first mortgage, first deed of trust, or other initial purchase money security device, on any Lot may rely on this provision without the necessity of the execution of any further subordination agreement by the Townhome Association. Sale or transfer of any Lot shall not affect the status or priority of the lien for assessments made as provided herein. The Townhome Association, if authorized by its Board of Directors, may release the lien of any delinquent assessments on any Lot as to which the first mortgage, first deed of trust or initial purchase money security device thereon is in default, if such Board of Directors determines that such lien has no value to the Townhome Association. No mortgagee shall be required to collect any assessments due. The Townhome Association shall have the sole responsibility to collect all assessments due.

12. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant.

13. Monthly Assessments. Monthly assessments may be assessed for, but not limited to, the following:

A. Care and maintenance of trees and shrubs, lawns, and other exterior landscaping improvements as originally installed by the Declarant or builder, except such improvements as may be within the confines of any fenced in area on any Assessable Lot or installed by or at the direction of the Owner, which improvements shall be the responsibility of the Owner. The Owner understands that the original landscape as installed by the Declarant or builder is warranted for a period of one year from the time of planting. The Owner is responsible for replacement of all dead landscaping improvements after the one year warranty period expires

H

and the Owner agrees to allow the Townhome Association to replace such dead landscape improvements at the expense of the Owner of record at the time of replacement and the Owner shall reimburse the Townhome Association on demand. The Townhome Association shall have no duty to repair, replace or maintain any exterior concrete surfaces.

B. Snow removal from drives, front walks and stoops only as to be determined by the guidelines set forth by the Board of Directors.

C. Optional exterior window cleaning as deemed necessary by the Board of Directors.

14. Special Assessments. Special assessments may be assessed for, but not limited to, the following:

A. Maintain, repair, and replace roofs.

B. Maintain, repair, including painting, of all exterior walls, with the exception that the Townhome Association shall not assume the duty to repair or replace any glass surfaces, including, but not limited to, window glass and door glass. The Townhome Association shall not assume the duty to repair or replace any doors, door openers, and cooling units for air conditions systems. However, the Townhome Association shall assume the duty to paint the exterior surfaces of exterior doors.

C. Maintain, repair and replace gutters.

15. Party Walls. Party walls shall be constructed, maintained and repaired as follows:

A. General Rules of Law to Apply. Each wall which is built as part of the original construction of any dwelling upon a Lot, and which is placed on the dividing line between any adjoining Lots, shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

B. Sharing of Repair and Maintenance. The cost of reasonable repairs and maintenance of any party wall shall be shared by the Owners who make use of such party wall in proportion to the length of each Lot and party wall.

C. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owner or Owners shall thereafter make use of such party wall, such other Owner or Owners shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such Owner or Owners to call for a larger contribution from other Owners under any rule of law regarding liability for negligent or willful acts or omissions.

D. Weatherproofing. Notwithstanding any other provision of this Section, an Owner who, by his negligent or willful act, causes the party wall to be exposed to the elements, shall bear the whole cost of furnishing the necessary protection against such elements and repair of damage caused by the elements.

E. Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Section shall

I

be appurtenant to the land and shall pass to such Owner's successors in title.

F. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Section, each Owner involved shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and all Owners shall be bound by any decision arrived at by a majority of all such arbitrations. Arbitration shall be governed by the terms of the Uniform Arbitration Act, to the extent consistent with the foregoing provisions.

16. Insurance. Insurance may be required as follows:

A. The Townhome Association may but shall not be obligated to, purchase and provide physical property coverage insurance with respect to the improvements (residential and related structures) in any amount equal to at least ninety percent (90%) of the full replacement value of the original improvements against losses by fire, lightning, wind storm and other perils covered by standard extended coverage endorsements. The full replacement value of the original improvements is defined as the base price of the original structure excluding, but no limited to, custom finished basements and any other improvements over the base original price. Insurance premiums are assessed uniformly based upon the base price of the original structures. Betterments done to the original structure and additional custom improvements shall not be covered by the Townhome Association's policy. The intent is to provide only coverage based only upon the basic purchase price excluding any custom betterments.

The Townhome Association may also, but shall not be obligated to purchase and provide comprehensive general liability coverage insurance against any other hazards and in such amounts as shall be determined from time to time by the Board of Directors of the Townhome Association. The Townhome Association, in addition to the foregoing, shall provide Directors and Officers liability coverage insurance for the Townhome Association, for its Officers, and members of the Board of Directors. Finally, if the Townhome Association has any employees of any nature, the Townhome Association shall purchase and provide Workers' Compensation Insurance for all employees who may come within the scope of Nebraska Workers' Compensation laws.

The above insurance shall not cover the personal property of any Owner of any Lot, it being the Owner's responsibility to provide such insurance coverage for the Owner's protection. In addition, the Townhome Association may purchase such additional insurance against other hazards which may be deemed appropriate by the Board of Directors.

B. The Townhome Association is hereby irrevocably appointed as agent for each Owner of each and every Lot and for the holder of any Mortgage on any Lot, to adjust any and all claims arising under insurance policies purchased by the Townhome Association on the improvements on the Lots, joinder by any such Owner or mortgagee. All insurance proceeds shall be applied by the Townhome Association toward repairing the damage covered by such insurance, provided that reconstruction or repair shall not be compulsory where the damage exceeds two-thirds (2/3) of the value of all the buildings and improvements on all of the Lots covered by such insurance.

The deductible portion of the applicable master insurance policy shall be borne equally by those Lots which have suffered the

J

loss. Should the Owners so elect not to rebuild, the insurance proceeds, along with the insurance indemnity, if any, shall be credited to each Owner in accordance with such Owner's pro rata share of the loss as sustained from the casualty for which the proceeds shall be payable. Such sums shall be first applied towards satisfaction of any recorded first mortgage, first deed of trust, initial purchase money security device against such Lots, next applied towards satisfaction of junior recorded liens in order of their priority, next toward the cost of razing the improvements or any remnants thereof from said Properties, and the filling and leveling of any of said Lots, as needed, and the remainder shall then be paid to such Owner of such razed properties on a pro rata basis.

In case the insurance proceeds do not equal the cost of repairs or rebuilding, the excess cost shall be considered a maintenance expense to be assessed and collected by the Townhome Association from the Owner of the damaged improvements. In any case of over insurance, any excess proceeds of insurance received shall be credited towards the working fund of the Townhome Association.

C. Each Lot Owner may obtain such additional insurance for the individual Owner's benefit and at such Owner's own expense as may be deemed necessary by the Lot Owner, including coverage for specific improvements and betterments in the Owner's unit, personal liability, specific personal property items, the ten percent (10%) co-insurance provision of the full replacement cost of the base price of the original structure, and any exclusions of insurance coverage from the master policy provided by the Townhome Association.

17. Access. The Townhome Association, its officers, employees and agents, contractors and repairmen designated by the Townhome Association, shall have the right to go on any Lot for the purpose of performing the duties of the Townhome Association hereunder, and the Townhome Association is hereby granted a specific easement for such purposes.

18. Utility Meters and Service Lines. In order to facilitate the installation, operation, maintenance and repair of an underground watering system, such Lots as shall be designated from time to time by the Townhome Association shall have a dual metering system for water so as to permit the drawing of water for watering of the lawns, shrubs, trees and other vegetation located upon the Lots. It is understood that the amount of water metered for the residential use on any such Lot shall be paid for by the Owner of each Lot receiving water.

ARTICLE III. EASEMENTS AND CONNECTION

1. A perpetual license and easement is hereby reserved in favor of and granted to the Omaha Public Power District, Qwest Communications Corporation, any company which has been granted a franchise to provide a cable television system within the Lots, and Sarpy County, Nebraska, Peoples Natural Gas, and Sanitary and Improvement District No. 158 of Sarpy County, Nebraska, their successors and assigns, to erect and operate, maintain, repair and renew buried or underground sewers, water and gas mains and cables, lines or conduits and other electric and telephone utility facilities for the carrying and transmission of electric current for light, heat and power and for all telephone and telegraph and message service and for the transmission of signals and sounds of all kinds including signals provided by a cable television system and the reception on, over, through, under and across a five (5) foot wide strip of

land abutting the front and the side boundary lines of the Lots; an eight (8) foot wide strip of land abutting the rear boundary lines of all interior Lots; and all exterior lots that are adjacent to presently platted and recorded Lots; and a sixteen (16) foot wide strip of land abutting the rear boundary lines of all exterior Lots that are not adjacent to presently platted and recorded Lots. The term exterior Lots is herein defined as those Lots forming the outer perimeter of the Lots. The sixteen (16) foot wide easement will be reduced to an eight (8) foot wide strip when such adjacent land is surveyed, platted and recorded.

2. A perpetual easement is further reserved for Sarpy County, Nebraska, Peoples Natural Gas, and/or any company or entity which provides the water system and service, their successors and assigns to erect, install, operate, maintain, repair and renew pipelines, hydrants and other related facilities, and to extend thereon pipes, hydrants and other related facilities and to extend therein pipes for the transmission of gas and water on, through, under and across a five (5) foot wide strip of land abutting all cul-de-sac streets; this license being granted for the use and benefit of all present and future owners of these Lots; provided, however, that such licenses and easements are granted upon the specific conditions that if any of such utility companies fail to construct such facilities along any of such Lot lines within thirty-six (36) months of date hereof, or if any such facilities are constructed but are thereafter removed without replacement within sixty (60) days after their removal, then such easement shall automatically terminate and become void as to such unused or abandoned easementways. No permanent buildings, trees, retaining walls or loose rock walls shall be placed in the easementways but same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforementioned uses or rights granted herein.

3. In the event that ninety percent (90%) of all Lots within the subdivision are not improved within five (5) years after the date on which Qwest Communications Corporation files notice that it has completed installation of telephone lines to the Lots in the subdivision (herein the "Subdivision Improvement Date"), then Qwest Corporation may impose a connection charge on each unimproved Lot in the amount of Four Hundred Fifty and no/100 Dollars (\$450.00). A Lot shall be considered as unimproved if construction of a permanent structure has not commenced on a Lot. Construction shall be considered as having commenced if a footing inspection has been requested on the Lot in question by officials of the City or other appropriate governmental authority.

Should such charge be implemented by Qwest Corporation and remain unpaid, then such charge may draw interest at the rate of twelve percent (12%) per annum commencing after the expiration of sixty (60) days from the time all of the following events shall have occurred: (1) the Subdivision Improvement Date, and (2) Qwest Corporation sends each owner of record a written statement or billing for Four Hundred Fifty and no/100 Dollars (\$450.00) for each unimproved Lot.

4. Other easements are provided for in the final plats of Fairway Pointe II which are filed in the Register of Deeds of Sarpy County, Nebraska (Instrument Nos. 2000-33682 and 2001-09417).
