No dwelling shall be located on any interior lot nearer than 25 feet to rear lot line. For the purposes of this covenant, eaves, steps and open porches shall not be considered as a part of the building, provided, however, that this shall not be construed to permit any portion of a building on a lot to encroach upon another lot.

11. Portland cement concrete sidewalks four (4) feet wide by four (4) inches thick shall be constructed in front of each built-upon lot and along the side street of each built-upon corner lot. The sidewalk shall be placed four (4) feet back of street curb line. Such walks shall be built by the then owner of the lot and at the time of the completion of the main structure upon the lot.

13. Each of the provisions hereof is several and separable and invalidation of any provision shall not effect any other of the provisions hereof. These provisions shall bind and inure to the benefit of the undersigned, their successors and assigns, and to their grantees, both immediate and remote, and the heirs, devisees, personal representatives, successors, assigns and grantees of such grantees, and

shall run with the land for the benefit of and imposed upon all subsequent owners of each of the aforesaid lots in the Faulkland Heights Subdivision.
