Superficial, cosmetic or minor architectural detail differences in like designs will not constitute a basis for approval.

Documents submitted for approval shall be clear, concise, complete, consistent and legible. All drawings shall be to scale. Samples of materials to be included in the improvement may be required of the applicant at the discretion of the Architectural Control Committee. Submittals for the approval shall be made in duplicate and the comments and actions of the Architectural Control Committee will be identically marked on both copies of said submittals. One copy will be returned to the applicant, and one copy will be retained as part of the permanent records of the Committee. - c. An architectural review fee of fifty dollars (\$50.00) per improvement plan per lot will be charged. Said fee is subject to adjustment or waiver if so determined by the Architectural Control Committee. Additional review fees will be required for resubmissions for the same lot or alterations or additions to previously reviewed submittals. If construction has commenced on any lot without Architectural Control Committee approval, the review fee will be one hundred dollars (\$100.00). The applicant's name, address and telephone number shall appear on each set of plans submitted to the Architectural Control Committee. If applicant wishes that his plans be returned via the mail, he shall include with his submittal an additional two dollars (\$2.00) for postage and handling. These fees may be waived on individual basis by the Architectural Control Committee.

The approval or disapproval of the Architectural Control Committee as required in these Covenants shall be in writing. Failure of the Architectural Control Committee to give either written approval or disapproval of submitted plans within thirty (30) days after receipt of all of the documents and the fee required above, by mailing such written approval or disapproval to the last known address of the applicant as shown on the submitted plans, shall operate to release such lot from the provisions of foregoing provision.

All telephone, cable television and electric power service lines from property line to dwelling shall be underground.

14. CABLE TELEVISION LINE EASEMENTS. A perpetual license and easement is hereby reserved in favor of the Developer, its successors and assigns, to erect, operate, maintain, repair and renew, or contract for the erection, installation, operation, maintenance and repair of underground conduit, wires and/or cable for the carrying and transmission of cable television service buried within a five foot (5') strip of land adjoining the rear and side boundary lines of said Lot in said addition, said license is granted for the use and benefit of all present and future owners of Lots in said addition; provided, however, that said side Lot easement is granted upon the specific condition that if cable television lines are not installed along any of said Lot lines within forty-eight (48) months of the date hereof, or if any underground television cable lines are constructed but are thereafter removed without replacement within sixty (60) days after removal, such side Lot easement shall automatically terminate as to such unused or abandoned easement ways.

15. NOTICE OF POTENTIAL TELEPHONE FACILITIES CHARGE. In the event that ninety percent (90%) of all Lots within a particular phase of Nelson's Creek Subdivision are not improved within five (5) years from the date that U.S. West Communications Northwestern Bell Telephone Company shall have completed the installation of it's distribution system within such phase of said subdivision and filed notice of such completion ("Five Year Term"), then every Lot that is unimproved at the end of the Five Year Term shall be subject to a charge of Four Hundred Fifty Dollars (\$450.00) by U.S. West Communications Northwestern Bell Telephone Company or its successors. A Lot shall be considered as unimproved if construction of a permanent structure has not commenced on that Lot. Construction shall be considered as having commenced if a footing inspection has been made on the Lot in question by officials of the City or other appropriate governmental authority.

Each development phase of Nelson's Creek Subdivision shall be considered separately in determining whether ninety percent (90%) of the Lots within that Phase have been improved within the Five Year Term. In determining the date U.S. West Communications Northwestern Bell Telephone Company shall have completed the installation of it's distribution system, each development phase shall also be considered separately.

Such charge shall be due and owing immediately upon the expiration of the Five Year Term, and if such charge is not paid within sixty (60) days after the sending of written notice by U.S. West Communications Northwestern Bell Telephone Company or its successors to the owner of an unimproved Lot that such charge is due, then such charge will begin drawing interest commencing upon the expiration of the sixty (60) day period at the rate of twelve percent (12%) per annum, or the maximum rate allowed by law if said maximum rate is less than twelve percent (12%) per annum at that time.

16. EASEMENTS FOR ENTRANCE AND DEVELOPMENT SIGNS. The Nelson's Creek Homeowners Association shall have an easement on portion of Lots 1, 30, and 40 and on outlots 1 and 2 for placement and maintenance of entry signs showing the Subdivision. Said easements are as shown on surveyors certificate.

thereafter to include any such Lot or parcel in membership in the Association as a benefit or burden running with and charge upon the ownership of such Lot or parcel.

Dues or other charges for each Lot or parcel included in membership as fixed by the Association in the manner set out in its Articles of Incorporation or its By-Laws, as from time to time amended, will each constitute until abated or paid a lien upon or charged against such Lot or parcel in favor of the Association; but no such lien upon any Lot or parcel will at any time be superior to any earlier or later established lien upon such Lot or parcel for security for a building made or purchase money loan or the unpaid balance of a purchase contract for such Lot or parcel.

The obligations and privileges of membership in the Association will in the manner set out in its Articles of Incorporation or its By-Laws, as from time to time amended, extend to contract purchaser and owners of all Lots or parcels included in membership and appertain to and be coterminous with the portion of the interest of each such contract purchaser or owner; but each member will be and remain personally liable to the Association until abatement or payment for all dues or other charges is fixed by it at any time or from time to time throughout the duration of such interest and membership.

Enforcement. The Covenant and Declaration set out herein may be enforced by the Association, which will be entitled at any time or from time to time to institute any equitable or legal proceedings appropriate, convenient, or necessary for enforcement as to any contract purchaser or owner to fix a reasonable charge for such action as to any Lot or parcel as a lien upon and charge against such Lot in favor of the Association.

Further, no business activities of any kind whatsoever shall be conducted on any Lot. Provided, however, the foregoing paragraph shall not apply to the business activities,

signs and billboards or the construction and maintenance of buildings, if any, by Declarant, their agents or assigns, during the construction and sale of the Lots. Exception to sign restriction shall be permanent subdivision entrance signs.

21. LOT SIZE. No residence shall be constructed on a Lot unless the entire Lot, as originally platted, is owned by one owner of such Lot, except if parts of two or more platted Lots have been combined into one Lot which is at least as wide as the narrowest Lot on the original plat, and is as large in area as the largest Lot in the original plat.

22. COMPLETION OF CONSTRUCTION. Construction of any improvement shall be completed within one (1) year from the date the foundation was commenced for such dwelling. No excavation dirt shall be spread across any Lot in such a fashion as to materially change the contour of any Lot.

No residential dwelling shall be occupied by any person as a dwelling for such person until the construction of such dwelling has been completed, except for minor finish details as determined and approved by the Architectural Control Committee.

23. ASSIGNMENT BY DEVELOPER. The rights, powers and responsibilities of the Developer as outlined and contained in this Agreement may be assigned and delegated by Jacobs Limited Partnership.

24. WAIVER FOR HARDSHIP. Until such time as all Lots are improved, Developer shall have the right in its discretion to waive any one or more of the covenants, conditions or restrictions herein contained for hardship or other just cause.

25. NON-LIABILITY OF DECLARANT AND ITS AGENTS. Neither the undersigned nor any architect or agent of the undersigned nor any member of the Committee by virtue of his membership thereon, or discharge of his duties required thereby, shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the foregoing, nor for any structural or other defects in any work done according to such plans or specifications. No building or improvements of any kind constructed or placed upon any of said Lots thereafter shall be moved without the prior written approval of the Committee. In the event said Committee fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

26. ENFORCEMENT OF COVENANTS. Except for the authority and powers specifically granted to the Declarant, the Declarant or any owner of a Lot named herein shall have the right to enforce by a proceeding at law or in equity, all reservations, restrictions, conditions and covenants now or hereinafter imposed by the provisions of this Declaration either to prevent or restrain any violation or to recover damages or other dues of such violation. 14. CABLE TELEVISION LINE EASEMENTS. A perpetual license and easement is hereby reserved in favor of the Developer, its successors and assigns, to erect, operate, maintain, repair and renew, or contract for the erection, installation, operation, maintenance and repair of underground conduit, wires and/or cable for the carrying and transmission of cable television service buried within a five foot (5') strip of land adjoining the rear and side boundary lines of said Lot in said addition, said license is granted for the use and benefit of all present and future owners of Lots in said addition; provided, however, that said side Lot easement is granted upon the specific condition that if cable television lines are not installed along any of said Lot lines within forty-eight (48) months of the date hereof, or if any underground television cable lines are constructed but are thereafter removed without replacement within sixty (60) days after removal, such side lot easement shall automatically terminate as to such unused or abandoned easement ways.

A Lot shall be considered as unimproved if construction of a permanent structure has not commenced on that Lot. Construction shall be considered as having commenced if a footing inspection has been made on the Lot in question by officials of the City or other appropriate governmental authority.

Each development phase of Nelson's Creek Subdivision shall be considered separately in determining whether ninety percent (90%) of the Lots within that Phase have been improved within the Five Year Term. In determining the date Northwestern Bell Telephone Company shall have completed the installation of its distribution system, each development phase shall also be considered separately.

Such charge shall be due and owing immediately upon the expiration of the Five Year Term, and if such charge is not paid within sixty (60) days after the sending of written notice by Northwestern Bell Telephone Company or its successors to the owner of an unimproved lot that such charge is due, then such charge will begin drawing interest commencing upon the expiration of the sixty (60) day period at the rate of twelve percent (12%) per annum, or the maximum rate allowed by law if said maximum rate is less than twelve percent (12%) per annum at that time.

16. EASEMENTS FOR ENTRANCE AND DEVELOPMENT SIGNS. The Nelson's Creek Homeowners Association shall have an easement on portion of Lots 1, 30, and 40 and on outlots 1 and 2 for placement and maintenance of entry signs showing the Subdivision. Said easements are as shown on surveyors certificate.

Dues or other charges for each lot or parcel included in membership as fixed by the Association in the manner set out in its Articles of Incorporation or its By-Laws, as from time to time amended, will each constitute until abated or paid a lien upon or charged against such lot or parcel in favor of the Association; but no such lien upon any lot or parcel will at any time be superior to any earlier or later established lien upon such lot or parcel for security for a building made or purchase money loan or the unpaid balance of a purchase contract for such lot or parcel.

The obligations and privileges of membership in the Association will in the manner set out in its Articles of Incorporation or its By-Laws, as from time to time amended, extend to contract purchasers and owners of all lots or parcels

included in membership and appertain to and be coterminous with the portion of the interest of each such contract purchaser or owner; but each member will be and remain personally liable to the Association until abatement or payment for all dues or other charges is fixed by it at any time or from time to time throughout the duration of such interest and membership.

Enforcement. The Covenant and Declaration set out herein may be enforced by the Association, which will be entitled at any time or from time to time to institute any equitable or legal proceedings appropriate, convenient, or necessary for enforcement as to any contract purchaser or owner to fix a reasonable charge for such action as to any lot or parcel as a lien upon and charge against such lot in favor of the Association.

23. ASSIGNMENT BY DEVELOPER. The rights, powers and responsibilities of the Developer as outlined and contained in this Agreement may be assigned and delegated by Jacobs Limited Partnership.

24. WAIVER FOR HARDSHIP. Until such time as all Lots are improved, Developer shall have the right in its discretion to waive any one or more of the covenants, conditions or restrictions herein contained for hardship or other just cause.

Except as otherwise specifically provided, the dues and assessments shall be fixed by the Board of Directors of the Association and shall be payable at the time and in the manner prescribed by the Board.

5. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant.

6. Liens and Personal Obligations for Dues and Assessments. The Assessments and dues, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Owner of each Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successors, but all successors shall

take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

7. Purpose of Dues. The dues collected by the Association may be committed and expended to accomplish the purposes of the Association described in Section 1 of this Article, and to perform the Powers and Responsibilities of the Association described in Section 3 of this Article.

B. In each calendar year beginning on January 1, 1988, one hundred twenty-five percent (125%) of the aggregate dues charged in the previous calendar year.

9. Assessments for Extraordinary Costs. In addition to the dues, the Board of Directors may levy an assessment or assessments for the purpose of defraying, in whole or in part, the costs of any acquisition, construction, reconstruction, repair, painting, maintenance, improvement, or replacement of any common Facility, including fixtures and personal property related thereto, and related facilities. The aggregate assessments in each calendar year shall be limited in amount to Fifty Dollars (\$50.00) per Lot.

10. Excess Dues and Assessments. With the approval of seventy-five percent of the Members of the Association, the Board of Directors may establish dues and/or assessments in excess of the maximums established in this Declaration.

11. Uniform Rate of Assessment. Assessments and dues shall be fixed at a uniform rate as to all Lots, but dues may be abated as to individual Lots, as provided in Section 5, above.

12. Certificate as to Dues and Assessments. The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Lot have been paid to the date of request, the amount of any delinquent sums, and the due date and amount of the next succeeding dues, assessment or installment thereof. The dues and assessment shall be and become a lien as of the date such amounts first become due and payable.

13. Effect of Nonpayment of Assessments-Remedies of the Association. Any installment of dues or assessment which is not paid when due shall be delinquent. Delinquent dues or assessment shall bear interest from the due date at the rate of sixteen percent (16%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Area or abandonment of his Lot. The mortgagee of any Lot shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.

14. Subordination of the Lien to Mortgage. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as collateral for a home improvement or purchase money loan. Sale or transfer of any Lot shall not affect or terminate the dues and assessment lien.

2. Membership and Voting. Nelson's Creek is divided into separate lots (referred to as the "Lots"). The "Owner" of each Lot shall be a Member of this Association. For purposes of this Declaration, the term "Owner" of a Lot means and refers to the record owner, whether one or more persons or entities, of fee simple title to a Lot, but excluding, however, those parties having any interest in any of such Lot merely as security for the performance of an obligation (such as a contract seller, the trustee or beneficiary of a deed of trust, or a mortgagee). The purchaser of a Lot under a land contract or similar instrument shall be considered to be the "Owner" of the Lot for purposes of this Declaration. Membership shall be appurtenant to ownership of each Lot, and may not be separated from ownership of each Lot.

The Owner of each Lot, whether one or more persons and entities, shall be entitled to one (1) vote on each matter properly coming before the Members of the Association.

3. Purposes and Responsibilities. The Association shall have the powers conferred upon not for profit corporations by the Nebraska Nonprofit Corporation Act, and all powers and duties necessary and appropriate to accomplish the Purposes and administer the affairs of the Association. The powers and duties to be exercised by the Board of Directors, and upon authorization of the Board of Directors by the Officers, shall include but shall not be limited to the following:

A. The development, operation and administration of Common Facilities, and the enforcement of the rules and regulations relating to the Common Facilities.

in real or personal property, wherever located, in connection with the affairs of the Association.

F. The deposit, investment and reinvestment of Association funds in bank accounts, securities, money market funds or accounts, mutual funds, pooled funds, certificates of deposit or the like.

G. The employment of professionals and consultants to advise and assist the Officers and Board of Directors of the Association in the performance of their duties and responsibilities for the Association.

H. General administration and management of the Association, and execution of such documents and doing and performance of such acts as may be necessary or appropriate to accomplish such administration or management.

I. The doing and performing of such acts, and the execution of such instruments and documents, as may be necessary or appropriate to accomplish the purposes of the Association.

4. Imposition of Dues and Assessments. The Association may fix, levy and charge the Owner of each Lot with dues and assessments (herein referred to respectively as "dues and assessments") under the following provisions of this Declaration. Except as otherwise specifically provided, the dues and assessments shall be fixed by the Board of Directors of the Association and shall be payable at the time and in the manner prescribed by the Board.

5. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant.

6. Liens and Personal Obligations for Dues and Assessments. The Assessments and dues, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Owner of each Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successors, but all successors shall

take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

7. Purpose of Dues. The dues collected by the Association may be committed and expended to accomplish the purposes of the Association described in Section 1 of this Article, and to perform the Powers and Responsibilities of the Association described in Section 3 of this Article.

8. Maximum Annual Dues. Unless excess dues have been authorized by the Members in accordance with Section 10, below, the aggregate dues which may become due and payable in any year shall not exceed the greater of:

A. Fifty Dollars (\$50.00) per Lot.

B. In each calendar year beginning on January 1, 1988, one hundred twenty-five percent (125%) of the aggregate dues charged in the previous calendar year.

9. Assessments for Extraordinary Costs. In addition to the dues, the Board of Directors may levy an assessment or assessments for the purpose of defraying, in whole or in part, the costs of any acquisition, construction, reconstruction, repair, painting, maintenance, improvement, or replacement of any common Facility, including fixtures and personal property related thereto, and related facilities. The aggregate assessments in each calendar year shall be limited in amount to Fifty Dollars (\$50.00) per Lot.

10. Excess Dues and Assessments. With the approval of seventy-five percent of the Members of the Association, the Board of Directors may establish dues and/or assessments in excess of the maximums established in this Declaration.

11. Uniform Rate of Assessment. Assessments and dues shall be fixed at a uniform rate as to all Lots, but dues may be abated as to individual Lots, as provided in Section 5, above.

12. Certificate as to Dues and Assessments. The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Lot have been paid to the date of request, the amount of any delinquent sums, and the due date and amount of the next succeeding dues, assessment or installment thereof. The dues and assessment shall be and become a lien as of the date such amounts first become due and payable.

13. Effect of Nonpayment of Assessments-Remedies of the Association. Any installment of dues or assessment which is not paid when due shall be delinquent. Delinquent dues or assessment shall bear interest from the due date at the rate of sixteen percent (16%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Area or abandonment of his Lot. The mortgagee of any Lot shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.

14. Subordination of the Lien to Mortgage. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as collateral for a home improvement or purchase money loan. Sale or transfer of any Lot shall not affect or terminate the dues and assessment lien.

IN WITNESS WHEREOF, Jacobs Limited Partnership has executed these presents, this 2nd day of April, 1986.
